One science course must include a lab. *Liberal Studies majors (Elementary Education Teaching Preparation) are required to complete 11 units in this category: Physical Science including a lab; Biology, including a lab; and Earth Science which does not require a lab.

Leadership and Ethics Core-Specified (28 Units)
Unique to the PCC curriculum are 28 required units of General Education that include upper and lower division courses in Bible, Communication, and Leadership. Sometimes these courses can be satisfied through coursework at other institutions. However, these are usually courses which will need to be taken at PCC. Please consult the HIU catalog for details about these Leadership and Ethics Core classes.
