Planning Your Event

Thank you for inquiring about our Catering and Event Services at Hope International University. To assist you in planning your event, we have included the following guidelines:

Secure Event Location
Reserve a room by contacting Conference & Events. Room set-up and any audio/visual needs should be coordinated with at that time. Once you have reserved your event location, here are some guidelines that will assure smooth planning:

Provider Onsite Menu and Order Form
Contact Provider as soon as you book your event thru the University. This needs to be done at least 3 to 4 weeks prior to the event. While every decision need not be finalized in the beginning, the more decisions you have made, the easier your event planning will proceed. The Catering Menu and order form is located on the HIU website. Please complete each line on the form and submit it. It will be emailed to kmurray@hiu.edu along with a copy to your email address.

Finalize Event Details
The Provider Catering office will contact you if there are any question or concerns about your event. The Food Service Director, Kevin Murray, can be contacted at kmurray@hiu.edu
Feel free to contact the office between the hours of 8:00am and 4:30pm, Monday thru Friday 714-879-3901 ext 7461. Email is the fastest way to connect as Kevin may be engaged in catering events throughout the day.

Meal Service
All meals are served buffet style unless otherwise requested. Prices include the buffet linen & décor, standard guest seating linen, high quality disposables, set up and tear down, service attendants, set up and cleanup. Meal Service is for a maximum of two hours. China is available at no extra charge in the Rotary Room and Christensen Room. Meals may be arranged to be plated and served for an additional fee, including service staff and table settings. Additional linens are available for $5.25 per cloth.

Event Times
To ensure a successful event we require prior access to the event location for set up. The amount of set up time varies depending on the complexity and size of the event. Please be sure to secure access to the location, set-up time and clean up time for your event. Host agrees to begin their event at the scheduled time and to end event at the designated time on the contract. If the event does not begin and/or end at the designated times, Provider reserves the right to bill the host for additional hours.

Food & Beverage
Food not prepared by Provider cannot be served, displayed, stored or reheated by Provider or any employee overseeing the event. We prepare extra food for the event to ensure plentiful portions. Distribution of any remaining food will be the responsibility of the Provider Manager. We reserve the right to refuse distribution of leftover food. Provider is not responsible for any food items removed from a Catering event. Provider does not package the food to go.
Review, Sign and Return Contract to Confirm Your Event
Upon placing your order, you will receive a contract of services requested. This contract must be signed, scanned and emailed to kmurray@hiu.edu to confirm your event prior to providing the guarantee. Events are not confirmed until the signed contract is received.

Provide Final Guest Count Guarantee
We require a guest count, pricing and menu finalization at least seven working days before your event. This count is your guaranteed number. If no count is given at that time, your original booking count or actual number of guests, whichever is greater, will be charged.

Cancellations and Changes
Any event or menu item cancelled or changed, less than 3 business days prior to the event, will result in a service charge of 25% of the cost of the invoice to cover food and labor invested at the time of cancellation.

Catering Pricing
Your catering price includes food and beverages, buffet set-up, buffet décor, buffet/beverage linen, equipment, clean-up and removal. Catering prices are subject to a location set-up fee where delivery and set-up are beyond a standard meeting room environment. Catering prices are subject to California State Sales Tax. Menu pricing is based on events of 30 guests or more. Smaller events may be subject to an additional service charge.

Payment
Following your event, a final invoice will be prepared and forwarded to you for payment thru the University. Should the final count increase or any other charges be incurred, these will be reflected on your final invoice.
