

CLASS OF 2020 ACADEMIC HONOREES:

Pacific Christian College of Ministry & Biblical Studies

Carlos Austin (Worship Arts) GPA: 3.5, Cum/Pi Beta Sigma - "Carlos Austin was a great example of a servant leader within our department. He was quick to choose harmony and sacrifice, without resentment, as a leader on our campus. Through many ups and downs, Carlos remained humble and patient, and was always learning from his experiences. We are so proud of him and we pray that God blesses his journey as a graduate of HIU." - Dr. Joseph Cho, D.M.A., Professor of Music

Amanda May (Church Ministry) GPA: 3.88, Magna/ Pi Beta Sigma - "The first time Amanda came in my office she had a four year plan! It was well constructed and charted. Through her years at Hope she stayed with her plan and completed it. Amanda has a vision for the future and is hardworking in the present." - Dr. Joe Grana, Academic Advisor

Mattie Miller (Intercultural Studies) GPA: 3.61, Cum - "Mattie is both a student who is stellar in the classroom and has an endless curiosity to learn. Mattie was often seen dropping by professor's offices unannounced just to ask further questions and learn. During her time here at Hope she participated on campus and travelled globally as part of her degree. She has a heart for both the local and global mission of God, and seeks to minister to her own community through a variety of creative endeavors. Mattie was a joy to have as a student and is a well-deserving student of the Intercultural Studies award." - Dr. Phil Towne, Ph.D., Associate Professor of Ministry & Intercultural Studies; Chair of Intercultural Studies
