Dear HIU Students,

I'm delighted to share additional good news regarding HEERF student emergency financial aid grants that will affect many of you. Please take time to read the rest of the email.

On March 11, 2021, the American Rescue Plan (ARP) was signed into law and established a Higher Education Emergency Relief Fund (HEERF III). Hope International University has received \$1,186,241 in HEERF III funds to directly support students who have demonstrated need and are facing financial challenges because of the continuing COVID-19 pandemic. In accordance with the ARP, emergency financial aid grants will be provided to eligible students enrolled (i.e., not in registered status only) as of September 24, 2021 for the Fall 2021 Semester to help cover expenses related to the cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or childcare. The emergency financial aid grants are not required to be repaid and are nontaxable.

Hope International University is committed to using the ARP funds, within the parameters set by the U.S. Department of Education, to prioritize students with exceptional financial needs while meeting the needs of as many students as possible. HEERF III emergency financial aid grants are expected to be disbursed beginning the first week of October and proceeding through the month of October and early November. Follow up questions should be directed to Student Financial Services.

I am so happy we are able to be back on campus. Know that I pray for you daily and I appreciate everything we are all doing to keep HIU a safe environment this year.

In Him,

Dr. Paul Alexander
