

The mission of Hope International University's College of Education is to equip exceptional educators for lives of service and leadership through the advancement of biblically centered study and practice. Admitted students to the College of Education are invited to apply for the HIU Servant Leadership Scholarship. Recipients will engage in service, leadership, and enrichment opportunities annually along with a significant financial award.

SERVANT LEADERSHIP SCHOLARSHIP

College of Education

LEADERSHIP DEVELOPMENT PROGRAM

At Hope International University, we believe educators have a transformational impact on our world. That's why we support future teachers through the HIU Servant Leadership Scholarship (SLS) program. This unique opportunity offers qualifying students an exceptional scholarship, experiential learning environments, and intentional professional connections with our local K-12 educational communities. SLS provides students with an affordable education experience that prepares them for a life of service and leadership.
