* Up to 15 units of specified "Transitional" graduate Level Marriage & Family Therapy or Counseling courses may be offered for both undergraduate and graduate credit depending upon availability. These courses may be used as specified Free Electives or Psychology Electives. "Transitional" courses are offered both on campus and online. Students must have a minimum GPA of 3.0 in HIU courses to qualify. Approval for transitional courses does not equate to admission in the MFT or MSC Graduate Program.
