Note: This guide does not represent a formal articulation agreement between Hope International University and Orange Coast College. Information presented here displays how courses will transfer into general education requirements for undergraduate degrees.

The classes listed below represent preferences for transfer. Honors courses offered for the same class are also acceptable. Additional courses within the transferrable range may be accepted for transfer upon approval as assessed on a case by case basis.

Communication (9 units)	Orange Coast College:
English Composition	ENGL-A100 Freshman Composition
Introduction to Literature	ENGL-A101 Critical Thinking, Reading, and Writing
Public Speaking	COMM-A110 Public Speaking
Humanities (6 units in 2 different areas)	Select from:

World History since 1500	HIST-A162 World Civilizations 1500 to Present
Social Science (3-12 units)	*Please Consult with Transfer Advisor for Specifics
US History to 1865	<i>The specific courses and number of social science units required for each student is specific depending on your major and program. Please consult with the Transfer Advisor for specifics.</i> undergrad@hiu.edu (on campus) hiuadmissions@hiu.edu (online)
US History since 1865	
Macro-Economics	
Introduction to Psychology	
Introduction to Urban Studies	
American Government	
Introduction to Sociology	
Introduction to Cultural Anthropology	
World Geography	
Social Problems	
Math (3 units)	University level Algebra, Calc, Trig, Liberal Arts Math
Natural Science w/lab (4 units)	University level Biology, Physical Science, or Earth Science
<i>Science course must include a lab. *Liberal Studies majors in HIU's on-campus program (Elementary Education Teaching Preparation) are required to complete 11 units in this category: Physical Science including a lab; Biology, including a lab; and Earth Science which does not require a lab.</i>	
Leadership and Ethics Core-Specified (28 units)	
<i>Unique to the undergraduate curriculum are 28 required units of General Education that include upper and lower division courses in Bible, Communication, and Leadership. Sometimes these courses can be satisfied through coursework at other institutions, however, usually these are courses which will need to be taken at HIU. In addition, each on-campus student who completes these courses will graduate with a minor in Bible regardless of what degree they select as a major. *Required Bible units will vary for some transfer students and the total requirement is less for students in our online undergraduate programs. Please consult the catalog or a Transfer Advisor for further details.</i>
