STUDENT INVOLVEMENT & COMMUNITY OUTREACH

Mr. Matthew Sanger, Director of Student Involvement & Community Outreach, Lawson-Fulton Student Center, Suite 101, ext. 1242, Email: mssanger@hiu.edu

Student Government Association

The purpose of the Student Government Association (SGA) is to function as a service to HIU's traditional undergraduate program, to improve the overall college experience, and to work with the administration, faculty, and staff to represent student perspectives and concerns regarding institutional affairs. The SGA structure is comprised of two entities: The Executive Board and the Senate.

The Executive Board consists of the SGA President and Vice President who are elected by the Student Body each spring semester to serve for one academic year. The purpose of the Executive Board is to implement the policies and programs adopted by the Senate and to provide leadership and support for the Senate and other committees.

2018-2019 Executive Board:

President - Alexio Gomes

Vice President - Devin Greene

The Senate consists of the Event Coordinator, Marketing Coordinator, Multicultural Senator, Communications Senator, Spiritual Needs Senator, and Community Involvement Senator. These representatives of the Student Body are chosen by an application/interview process with the Executive Board and the SGA Advisor to serve for one academic year. The Senate is recognized as the official voice and representation of the Student Body as a whole.

2018-2019 Senate:

Event Coordinator - Peri Goucher

Marketing Coordinator - Ellie Turner

Multicultural Senator - Hallie Gillespie-Sullivan

Spiritual Needs Senator - Ben Garcia

Community Involvement Senator - Francis Lazaro

Communication Coordinator - Leigha Williams

HIU strives to serve God by serving others. We are committed to being a positive member of the community and a caring neighbor. Over the years, HIU has created great relationships with schools and organizations in the Fullerton area.

Regularly, students visit schools, organizations, and parks to serve. If you are interested in finding a team of students to serve at a local organization, contact Matthew Sanger at mssanger@hiu.edu or 714-879-3901 ext. 1242.

CAMPUS MINISTRIES

Mr. Bryan Sands, Director of Campus Ministries

Lawson-Fulton Student Center, Suite 206, ext. 1294, Email: basands@hiu.edu

The Office of Campus Ministries exists to provide co-curricular programs and opportunities for students to develop holistically in their Christian faith and influence.

Christian Service

Campus Ministries provides numerous opportunities and resources to serve others through outreach events, community-based ministries and local churches. Many opportunities exist for a wide range of ministry experience and interests. In addition, Campus Ministries leads four one-day Saturday trips to Mexico during the fall semester, and a week-long trip to Mexico in the spring semester. There are multiple service opportunities throughout the year as well.

Barnabas Groups

During New Student Orientation, students are assigned to a Barnabas group consisting of approximately 10 new students and a Barnabas leader. Barnabas leaders encourage and support new students during New Student Orientation and throughout the academic year. Barnabas groups meet every Tuesday from 9:30-10:20 a.m. in various locations throughout the campus. The first semester of Barnabas groups is for acclimation to the university, city, and spiritual life. The second semester is introduction to the Pathways. Each student is allowed four (4) absences per semester for Barnabas Groups. Absences beyond four (4) will result in chapel probation.

Formation Groups

Returning students meet in Formation groups (*also known as Pathways*) every Tuesday from 9:30-10:20 a.m. in various locations throughout the campus. Students can choose one of seven "sacred pathways" (*Intellectual, Ascetics, Naturalist, Prayer, Contemplative, Sensate, and Activist*). All small groups will go through the Pathway small group material. The concept of the Pathways comes from the book *Sacred Pathways* by Gary Thomas. Each student is allowed four (4) absences per semester for Formation Groups. Absences beyond four (4) will result in chapel probation.

Chapel

Chapel exists to encourage our HIU community in praise, worship, and the Word of God. Chapel programs build community and challenge students in their Christian faith. Our chapel program also displays the relevance of the Gospel and its diversity, through worship and creativity. Chapel is unique in style of music and speakers represented each week.

Chapel meets Thursdays

9:30 am - 10:20 am in the Pacific Auditorium.

Chapel/Formation Group Attendance

Chapel and formation groups are an essential part of the University experience and attendance is required for all full-time undergraduate students (*12 units or more*). Students are permitted up to four (4) absences for Chapels and four (4) absences for Small Groups. The absences should be used for emergencies and personal appointments. In some cases, students can file for an exemption from chapel or groups. Breaches of integrity regarding Chapel/Formation Groups attendance will be addressed as a violation of community standards and students will be placed on probation.

Chapel Etiquette

In support of the mission and purpose of Chapel, and in respect for God and others, certain behaviors are prohibited in Chapel: the use of personal electronic devices (*cell phones, lap tops, etc.*), unnecessary talking, sleeping, leaving early, doing homework or outside reading, inappropriate displays of affection, and putting feet on the back of chairs. Any of these actions reported by a staff or faculty member to the Office of Campus Ministries will result in an unexcused absence.

Excessive Absences - Sanctions:

Excessive absences will result in Chapel probation and the forfeiture of all privileges to represent the University in any official capacity - student leadership, athletics, music, etc. Senior students who are on chapel probation during their final semester will not be allowed to participate in commencement. Opportunities for making up Chapel absences may be coordinated with the Office of Campus Ministries. Each excessive absence will result in listening to a recording of Chapel services (<http://library.HIU.edu/search>) and submitting a 1 - 2 page response paper or another assignment determined by the Office of Campus Ministries. The Director of Campus Ministries will determine acceptance of the paper. Students who fail to make-up absences will be limited to 12 academic units the following semester.

Chapel Probation:

If a student misses more than the four (4) chapels or four (4) Barnabas/Formation group meetings, they will be put on chapel probation for the following semester. If there are any questions, you are always welcome to come to the office of Campus Ministries (*2nd Floor of the Student Center*).

CAREER DEVELOPMENT

Mrs. Stacey Gerhart, Director of Career Development
Lawson-Fulton Student Center, Suite 223, ext. 2309,

The Office of Career Development strives to empower students and alumni to identify and utilize their strengths, abilities, interests, and goals as they prepare to go serve the Church and impact the world for Christ.

Career Development's mission is accomplished by offering services and tools that help in choosing a major; exploring occupations; providing assessments that help to identify and explore an individual's unique strengths, abilities, interests, and goals; developing resumes and preparing for interviews; locating internships, graduate schools, and jobs. These services work towards helping students and alumni feel more confident in the job search process and in identifying the calling God has placed on their life.

Student Employment

At the beginning of each academic year, Career Development assists in the hiring of all on campus employment opportunities (*federal work study and non-work study*). All on campus positions will be posted online at <https://www.hiu.edu/current-students/career-services/job-search.php>.

Job Portal

Current job postings (*on and off campus*) are available online at <https://candidate.gradleaders.com/HIU/Candidates/Login.aspx?pid=3817>. Students can also upload resume and cover letter documents, create a Search Agent that will notify them of jobs that meet criteria they have specified, create an Employment Profile that employers may search through as they look for job candidates, and students may apply directly to employers who have created Employer Accounts.

HEALTH SERVICES/ INSURANCE

*Executive Assistant to the Vice President for Student Affairs
Lawson-Fulton Student Center, Suite 200, ext. 2311*

The Department of Student Affairs serves as the location for health and medical service information. The Residence Life Staff can assist resident students with minor first aid needs, but all students requiring additional care will be referred to off-campus medical care providers.

Health Insurance

All university international students, dorm residents, and all traditional undergraduate students enrolled in seven or more units, who are actively taking courses on campus or living in the residence halls, are required to provide proof of health insurance in order to attend class and/or live in the residence halls.

HIU will no longer provide a health insurance option beginning August 2017. Every student must provide proof of health insurance that meets the requirements of the ACA (*Affordable Healthcare Act*) any other Federal or California state law currently in force.

The required online form may be found at <http://www.hiu.edu/current-students/student-life/health-and-wellness/>. You must also submit a front/back copy of your health Insurance card to be cleared for class registration to health@hiu.edu.

Out-of-State Students:

If you are planning to purchase either an Individual or student health insurance plan in California, you must be covered in your home state prior to your arrival in order to qualify for coverage. If you are not covered in your home state, you will need to wait until the Open Enrollment period in late fall to enroll, as per the State of California. Every student must show proof of insurance in order to attend classes in any semester.

International Students:

All International students that are attending HIU must have health insurance that will cover them during their time at HIU. This insurance should be purchased in the United States and meet the coverage requirements prescribed by law. There are a number of companies that can help. Below are some of the many options:

<https://www.compassstudenthealthinsurance.com/>

<https://www.internationalstudentinsurance.com/>

<https://www.psiservice.com/psiweb/index.do>

Regardless of potential changes to the ACA, Hope International University will continue to require that all traditional undergraduate students and dorm residents provide proof of health insurance in the fall in each academic year (*or upon enrollment*) and maintain that insurance throughout their time at HIU.

To assist you with meeting this requirement, guidelines are available on the HIU website at <http://www.hiu.edu/current-students/student-life/health-and-wellness/>.

Please direct any questions regarding health insurance to the Executive Assistant to Dr. R. Mark Comeaux, Vice President for Student Affairs. Phone: 714-879-3901 ext. 2311.

Hope International University participates in and offers many excellent programs of financial aid to help students from Federal, State and Institutional sources. For descriptions and eligibility criteria for any of the available scholarships, grants or discounts, contact the Financial Aid Office or visit our web site at www.HIU.edu.

The priority filing deadline for the academic year is **March 2nd**. Students applying for Financial Aid need to:

The Commons Hours are available on the HIU Dining Web Page.

The Royal Hub Retail Café

The Royal Hub Retail Café (“*The Hub*”) offers the campus community an opportunity to grab a quick bite to eat and study, or to just share a snack with friends. The Hub offers specialty coffee drinks, smoothies, gourmet salads and sandwiches, fresh pastries, and snacks for purchase. Meal Plan Swipe Guidelines

All HIU Students living in the Residence Halls are required to be on a Meal Plan. Exceptions to being on a Meal Plan are considered on a case-by-case basis and need to meet the criteria of extraneous circumstances, which will be verified by the Vice President for Student Affairs.

Meal Plans consist of two (2) parts: Meal Swipes and Flex Dollars. Meal Swipes may be used to enter The Commons for a full meal or for the Grab-n-Go option at The Hub during designated periods. A Meal Plan Swipe in The Hub consists of: 1 Entrée (*salad, sandwich, or wrap*) + 1 side dish + 1 beverage = 1 swipe.

Flex Dollars may be used to obtain a full meal or individual menu items.

Prior to obtaining food items, Meal Plan participants must designate the form of payment (*Meal Plan Swipe or Flex Dollars*) to be used.

Meal Cards

In order to obtain a meal, Meal Plan participants must present a valid HIU ID Card. The person whose name and photo appear on the card must be present in order for the card to be used. A Meal Plan Swipe is intended for the cardholder only and cannot be used to obtain swipes for others. Members of the campus community may not loan and/or borrow HIU ID Cards. Failure to present a valid HIU ID Card may result in denial of service.

Missing ID Card (*Meal Pass*)

In the event that a Student loses or misplace his/her ID Card, he/she must return to the Student Affairs Office on the 2nd Floor of the Student Center to obtain a temporary or replacement card. During afterhours and on weekends, Students must go to their on duty RLC (*Residence Life Coordinator*) to receive a temporary one-time/one Meal Pass.

There is a limit of three (3) Missing ID Card Meal Passes per student. Students who have lost their ID Card, must go to the Student Life Office to obtain a replacement ID Card. (*NOTE: The old ID Card will be deactivated at that time.*)

Meal Plan Participants may swipe once per meal period, up to five (5) swipes a day, not to exceed the total swipes allowed on their purchased Meal Plan. Meals begin on Sunday at Brunch, and end on Saturday at dinner. The number of meals available are determined based on participation level, and do not accrue when unused.

Meal Periods are defined as:

Period 1	07:15 AM	11:29 AM
Period 2	11:30 AM	01:30 PM
Period 3	01:31 PM	04:59 PM
Period 4	05:00 PM	06:29 PM
Period 5	06:30 PM	07:30 PM

Special Dietary Requests

The Provider Culinary Team is committed to offering nutritious, safe dining options as an integral part of daily menus. Most special dietary needs and food intolerances can be met upon request in our campus eateries. Nutritional and ingredient information for items served is available upon request.

Students with food allergies or special dietary requirements should contact Student Affairs to request a Meal Plan review and, if necessary, a modification or exemption. HIU will contact Dining Services to review the information submitted and, if necessary, schedule a special diet consult and/or meet with the Student.

Provider makes every attempt to identify the eight (8) most common allergens in food served in on-campus dining locations. While every effort is made to safely prepare and serve foods, there is always a risk of cross contamination of allergens or gluten since foods are prepared in large production kitchens at campus dining locations.

The Culinary Team welcomes questions regarding any aspect of food preparation and/or use of dining facilities. Please contact the Manager or Chef on duty to assist you with any questions you have.

To-Go Policy

The Hub will accommodate to-go requests. There will be no to-go options in The Commons.

Meal Replacements

Boxed Meals may be requested by a department for special University-sponsored events (*i.e. athletic team travels, class field trips, etc.*). Meal Replacement Procedure and Boxed Meal Request are located on the HIU website Dining Services page. To-Go (*Boxed*) Meal Request forms and Student Meal Rosters must be submitted for approval a minimum of five (5) business days prior to the date the meals are needed. Student Meal Rosters must be submitted electronically in Microsoft Excel. Both forms should be emailed to Kevin Murray at kmurray@hiu.edu.

Special Requests

In order to prevent the spread of illness, students who experience enteric symptoms (*vomiting, diarrhea, fever, nausea, etc.*) or flu-like symptoms (*coughing, sneezing, runny nose*) should not visit any campus dining location.

In the event a Meal Plan participant experiences an illness, they should report it to their RA or RLC. Sick trays are available to students who are too ill to come to eat. An RA or RLC will need to fill out a request and the person picking up the meal must have the student's ID number.

Times and Dates

The Commons and The Hub are open throughout the Fall and Spring semesters. Specific opening and closing dates are posted in advanced on the web and in each location.

The Commons and The Hub are closed during University breaks including Thanksgiving, Winter, Spring, Easter and Summer.

The Commons and The Hub may be open for extended hours due to special events. Also food service may be relocated to another location on campus. Students will be informed in advance of these changes should they occur. Meal Plans will apply.

CAMPUS SAFETY

The safety and well-being of all members of our community and their guests is our top priority. Keeping our campus safe and secure is the responsibility of everyone. Please do your part in keeping our environment safe by practicing common sense safety techniques and contacting Campus Safety if you encounter anything dangerous or suspicious.

Students, faculty, and staff are required to have a university ID card in their possession on campus. You must present your HIU ID card upon request from a Campus Safety officer.

Campus Safety Officers

Campus Safety patrols the Fullerton campus 24 hours a day. They are responsible for checking and securing facilities, confronting and reporting violations of HIU's rules, policies, guidelines, as well as employing all resources available to uphold local laws and ordinances.

Contact

Campus Safety is available at any time. They are available at 714-681-7333 or ext. 7333 from any campus landline.

A courtesy phone is mounted on the outside of the Campus Safety command post at the end of Titan Drive. Simply open the yellow box, lift the receiver, and the phone will automatically connect you with the Campus Safety officer on patrol.

Emergency Call Post

A blue light emergency phone is located on the northeast corner of the Commonwealth parking lot next to the Lawson-Fulton Student Center. In case of an emergency, press the button on the post and you will be connected to the Campus Safety officer on patrol. Additionally, a blue flashing light will engage, alerting an emergency.

Parking

A current HIU parking sticker is required on all vehicles in order to park in University lots. An annual permit may be purchased at the Business Office. The current fee is \$280.00 (\$140.00 for Spring Semester only students). Fall Semester students may receive a partial refund when the parking sticker is returned before the end of the 4th week of the Spring Semester. In the case of a stolen or lost parking permit, the replacement fee will be prorated.

Student parking is available in the Student Lot off Commonwealth, the Titan Lot or the Omega Lot. All motor vehicles without authorization or parked illegally will be ticketed and may be towed at the owner's expense (*accumulation of three (3) violations is an automatic tow*). Visitor's vehicles may be parked in the visitor parking lot and require temporary permits obtained from Campus Safety.

No student parking is permitted in the designated Hope International University vehicle spaces, visitor spaces, "Staff Only" spaces in the Omega Lot, or Auditorium Lot. All other California vehicle codes and posted notices are applicable. Violation of university parking policies may result in disciplinary action, revocation of parking permit, or towing at the owner's expense.

Safety Escorts

If for any reason you do not feel safe walking across campus, contact campus safety and they will escort through campus to your destination.

In order to monitor the campus, Campus Safety cannot leave the campus. They will proceed to the edge of campus and monitor any suspicious behaviors.

Partnerships

Campus Safety has a strong working relationship with the Fullerton Police Department and University Police at California State University, Fullerton. In case of emergencies in the surrounding neighborhoods and community, our officers will be contacted and they will react appropriately to secure the HIU campus.

Misuse

Obstructing the work of a Campus Safety officer is against university policy and will result in disciplinary action. Obstructing a Campus Safety officer includes, but is not limited to: making a false claim, distracting an officer, impeding an officer's movement, tampering with an officer's work.

Off-Campus Locations

Hope International University does not currently recognize any off-campus locations of student organizations, including off-campus housing facilities.

Campus Security and Access

Hope International University's main campus is located at 2500 Nutwood Ave., Fullerton, California. The University has three points of entry. The main entrance to the University is the location of the Campus Safety Office. The student parking lot entrance is controlled by a gate. Access to the parking lot through the gate is by student identification cards (*proximity card*). Visitors are required to check in at the Campus Safety Office to receive permission to enter. Dated visitor parking passes are issued to each visitor vehicle entering the campus.

Hope International University facilities include buildings and parking lots that are restricted to students, faculty staff and approved guests. All external groups must have the approval of the Director of Conferences Services to use HIU's facilities. Portions of the University may be made available to the general public during designated times for special events.

Campus Safety Officers lock and check exterior doors to each building every evening. When buildings are closed to general use Campus Safety Officers are allowed to grant access to authorized personnel only.

Access to campus residential halls is restricted to resident students, their guests and to University personnel. If a student loses his or her ID card, Campus Safety Officers will escort the student to the resident hall apartment of the Resident Life Coordinator for verification of the student and access to the resident hall.

Campus Safety Officers patrol the exterior of the residence halls on a regular basis and work with the Residence Life Coordinator and Resident Assistants to enforce security measures. Hope International University also provides enhanced services to assist in crime prevention. Some of these services include:

- Emergency telephones at various campus locations
- Safety escort services for students, faculty and staff
- Lighting surveys for building, area and parking lots
- 9-1-1 capability from all University phones and personal cell phones

Security Maintenance

INDIVIDUAL SAFETY AND RESPONSE

Timely Warning Policy

The Vice President for Student Affairs or designee will issue a campus-wide “timely warning” in the occurrence of a crime that is serious in nature or poses a continuing threat to the campus community. The university email system will be the primary mode of communication for timely warnings. The Student Affairs Department may also use its social networking websites, text messaging and/or flyers to further disseminate information depending upon the circumstances. Anyone with information warranting a timely warning should report the circumstances to Campus Safety at 714-681-7333, Student Affairs at 714-879-3901 ext. 2311, or in person at the Campus Safety or Student Affairs offices.

Non-Discrimination and Harassment Policy

HIU is committed to providing an environment free of unlawful discrimination and harassment. University policy prohibits harassment and discrimination based on pregnancy, childbirth or related medical conditions, race, religious creed, color, gender, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation or any other status protected by federal, state, local law, ordinance or regulation. All such discrimination or harassment is unlawful and will not be tolerated. The University’s anti-discrimination and harassment policy applies to all persons involved in the operation of the University and prohibits unlawful harassment or discrimination by all student employee supervisors and managers, vendors, customers, or any other persons. Discrimination and harassment based on the perception that a person possesses

the characteristics of, or belongs to, a legally protected status or class of persons is unlawful. Similarly, harassment based on a person's association with a person who has, or is perceived as having, the characteristics of, or who belongs to a legally protected status or class of persons, is unlawful.

HIU operates in compliance with all applicable federal and state non-discrimination laws and regulations in conducting its programs, activities and employment decisions. Such laws and regulations include:

Title VI of the Civil Rights Act of 1964, which prohibits discrimination based on race, color and national origin in the programs and activities of the University. This policy of non-discrimination also complies with Internal Revenue Service Revenue Ruling 71-447 required for maintaining the University's tax-exempt status.

Title VII of the Civil Rights Act of 1964, which prohibits employment discrimination based on sex, race, religion, color, or national origin.

The Age Discrimination in Employment Act of 1967, which prohibits age-based discrimination against persons aged 40 and over regarding employment decisions.

The Age Discrimination Act of 1975, which prohibits age-based discrimination against persons of all ages in programs and activities of the University.

Title IX of the Education Amendments of 1972, which prohibits all forms of discrimination on the basis of gender (*including sexual harassment*) in programs and activities of the University, except where the University has been granted exemptions based on its religious tenets.

The Americans with Disabilities Act of 1990 (Public Law 101-336), the purpose of which is to afford the disabled equal opportunity and full participation in life activities and to prohibit discrimination based on disability in employment, public service, public accommodations, telecommunications, and transportation.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f) ("Clery Act")) which required colleges and universities to disclose information about crime on and around their campuses. This includes recent amendments to the Clery Act under the Campus SaVE Act and Violence Against Women Act, which deals with incidents of sexual assault, domestic and dating violence, and stalking.

As a religious institution, the University is exempt from certain provisions in the above stated laws and regulations relating to discrimination on the basis of religion.

Crime Report

This report is part of an on-going effort to promote safety and security at Hope International University and to comply with the Jeanne Clery Disclosure of Campus Security Policy, Fire Safety Report and Campus Crime Statistics Act, also known as The Clery Act (<http://clerycenter.org/summary-jeanne-clery-act>). Under this Act, all colleges and Universities across the country are required to publish this report by October 1 of each year. These

reports must contain applicable policies and procedures regarding security and fire safety and the statistical data from the previous calendar year and the 2 preceding calendar years. The information below provides context for the crime statistics reported in compliance with the Clery Act.

The statistics in this report are published in accordance with the standards and guidelines used by The Handbook for Campus Crime Reporting issued by the U.S. Department of Education Office of Secondary Education. The Vice President for Student Affairs submits the annual crime statistics published in the report to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website. The University's daily crime log is available in the Office of Campus Safety. The annual disclosure of crime statistics include reporting statistics to the University community obtained from the following sources: Campus Safety, the Fullerton Police Department, Anaheim Police Department, and the Dean of Students of HIU. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported.

Designated campus security authority includes but is not limited to the University administrators, deans, directors, resident life staff, and academic counselors. These designated campus security authorities report crime or discipline issues to the Department of Student Affairs when issues arise. The incidents that rise to the level of reporting in the Clery Act report are included in the annual report.

The Clery Act requires all colleges and universities to:

1. Compile and submit crime statistics to the United States Department of Education. Each year, the University submits crime statistics for Clery Act crimes by type, location, and year to the U.S. Department of Education.
2. Maintain a daily crime log of alleged criminal incidents that is open to public inspection.
3. Issue campus alerts. HIU issues a timely warning to the University community when there is information that a Clery crime has occurred that represents a serious or ongoing threat to campus safety.
4. Issue emergency notifications. HIU issues an emergency notification upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. The University tests the emergency notification procedure at least twice annually.
5. Publish and maintain an Annual Security Report containing safety and security-related policy statements and statistics of Clery Act crimes occurring on the University property, adjacent property, and non-university property owned or controlled by the University.
6. Maintain and enforce a missing student policy and notification procedure.
7. Compile and submit fire statistics to the United States Department of Education. Each year, the University submits fire statistics by type, location, and year to the U.S. Department of Education. The University's Annual Fire Safety Report of Student Housing, including fire safety policy statements and statistics, is included in this report.

Non-Retaliation Policy

Federal civil rights laws make it unlawful to retaliate against an individual for the purpose of interfering with any right or privilege secured by these laws. It is unlawful for the University to retaliate against an individual for bringing a concern about a possible civil rights problem to the University's attention. It is also unlawful to retaliate against an individual because he or she made a complaint, testified, or participated in any manner in an Office of Civil Rights investigation or proceeding. Thus, once a student, parent, teacher, coach or other individual complains formally or informally to the University about a potential civil rights violation or participates in an Office of Civil Rights investigation or proceeding, the recipient is prohibited from retaliation (including intimidating, threatening, coercing, or in any way discriminating against the individual) because of the individual's complaint or participation.

Prohibited unlawful discrimination or harassment includes, but is not limited to, the following behavior:

- Treating a person differently, on any of the basis listed in the paragraph above, with respect to using, accessing or benefiting from the University's educational program. Example: the University may not subject students or employees to different standards of conduct in connection with a disciplinary matter on any of the basis listed above;
- Verbal conduct such as epithets, derogatory jokes or comments, slurs on any of the bases listed above, unwanted sexual advances, graphic verbal commentaries about an individual's body, sexually or otherwise degrading words used to describe an individual on any of the bases listed above, suggestive or obscene letters, notes, invitations or comments;
- Visual displays such as derogatory posters, photography, cartoons, drawings or gestures on any of the bases listed above;
- In the case of sexual harassment claims, physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work because of gender, race or any other protected basis;
- In the case of sexual harassment claims, threats and demands to submit to sexual requests as a condition of appointment, admission, academic evaluation or administrative consideration in return for sexual favors; submission to or rejection of such conduct is used as a basis for a personnel decision, an academic evaluation, or an administrative consideration affecting an individual, and retaliation for reporting or threatening to report harassment.

Title IX

Title IX of the Education Amendments of 1972 (*Title IX*) prohibits discrimination based on gender in educational programs that received federal financial assistance. Programs and activities that may be included are admissions, recruitment, financial aid, academic programs, athletics, housing, and employment. Title IX also protects male and female students from unlawful sexual harassment in school programs and activities. Under Title IX, discrimination on the basis of sex can include sexual harassment; unwelcomed sexual advances; or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.

Title IX Compliance Coordinator

Dr. R. Mark Comeaux, Vice President for Student Affairs

Lawson-Fulton Student Center, Suite 209, ext. 1211, mcomeaux@hiu.edu

Duties and Responsibilities:

- Monitoring and oversight of overall implementation of Title IX Compliance and the prevention of harassment and discrimination at the University, including coordination of training, education, communications, and administration of grievance procedures for faculty, staff, students and other members of the University community.
- Tracking and monitoring incidents, including sex discrimination and sexual misconduct.
- Ensuring that the University responds effectively to each complaint.

Sexual Misconduct

Introduction

The purpose of Hope International University's anti-harassment policy is to comply with all applicable legal requirements prohibiting harassment against any member of the HIU community. Moreover, as a Christian community, HIU has committed itself, unequivocally, to ensuring a working and learning environment in which the dignity of every individual is respected. Therefore, it is the purpose of this policy to maintain a work, academic, and campus environment free of unlawful harassment, which includes sexual assault, violence, and misconduct.

Members of the university community, guests and visitors have the right to be free from sexual violence. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. HIU has a zero-tolerance policy for sexual misconduct. When an allegation of misconduct is brought to an appropriate administration's attention, and a respondent is found to have violated this policy, serious sanctions will be used to reasonably ensure that such actions are never repeated. This policy has been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated. This policy is intended to define community expectations and to establish a mechanism for determining when those expectations have been violated.

Policy Expectations with Respect to Physical Sexual Misconduct

The expectations of our community regarding sexual misconduct can be summarized as follows: In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is sexual permission. Consent can be given by word or action, but non-verbal consent is not as clear as talking about what you want sexually and what you don't. Consent to some form of sexual activity cannot be automatically taken as consent to any other form of sexual activity. Silence—without actions demonstrating permission—cannot be assumed to show consent.

Additionally, there is a difference between seduction and coercion. Coercing someone into sexual activity violates this policy in the same way as physically forcing someone into sex. Coercion happens when someone is pressured unreasonably for sex.

Because alcohol or other drug use can place the capacity to consent in question, sober sex is less likely to raise such questions. When alcohol or other drugs are being used, a person will be considered unable to give valid consent if they cannot fully understand the details of a sexual interaction (*who, what, when, where, why, or how*) because they lack the capacity to reasonably understand the situation. Individuals who consent to sex must be able to understand what they are doing. Under this policy, “No” always means “No,” and “Yes” may not always mean “Yes.” Anything but a clear, knowing and voluntary consent to any sexual activity is equivalent to a “no.”

Policy Expectations with Respect to Consensual Relationships

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (*such as teacher and student, supervisor and employee*). These relationships may be less consensual than perceived by the individual whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change, and conduct that was previously welcomed may become unwelcomed. Even when both parties have consented at the outset to a romantic or sexual involvement, this past consent may not remove grounds for a later charge of a violation of applicable sections of the faculty/staff handbooks. For the personal protection of members of this community, relationships in which power differentials are inherent (*faculty-student, staff-student, administrator-student*) are generally discouraged. Relationships in which one party maintains a direct supervisory or evaluative role over the other party are unethical. Failure to self-report such relationships to a supervisor as required can result in disciplinary action for an employee.

Sexual Violence – Risk Reduction Tips

Risk reduction tips can often take a victim-blaming tone, even unintentionally. With no intention to victim-blame, and with recognition that only those who commit sexual violence are responsible for those actions, these suggestions may nevertheless help you to reduce your risk experiencing a non-consensual sexual act. Below, suggestions to avoid committing a non-consensual sexual act are also offered:

- If you have limits, make them known as early as possible.
- Tell a sexual aggressor “NO” clearly and firmly.
- Try to remove yourself from the physical presence of a sexual aggressor.
- Find someone nearby and ask for help.
- Take affirmative responsibility for your alcohol intake/drug use and acknowledge that alcohol/drugs lower your sexual inhibitions and may make you vulnerable to someone who views a drunk or high person as a sexual opportunity.
- Take care of your friends and ask that they take care of you. A real friend will challenge you if you are about to make a mistake. Respect them when they do.

Prevention and Education Programs

Hope International University offers prevention and education programs in an effort to prevent sex offenses including sexual assault, domestic violence, dating violence and stalking within the University community. Programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and employees that:

- Provides an overview of the Annual Security report in compliance with the Clery Act.
- Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks.

- Provide safe and positive options for bystander’s intervention.
- Defines what behavior and action constitutes domestic violence, dating violence, sexual assault and stalking.
- Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct.

Educational programs include:

- Bystander training to reduce power-based personal violence on campus by teaching students to recognize warning signs of abuse and provide them with safe and effective options for intervening.
- Student Leadership Training – All student leaders are required to attend a two-day student leadership training time entitled “Synergy”. Students are provided with practical information to help them aid fellow students in reducing the risk of sexual assault and violence in a social setting.
- “Be the Change” Training Video – A 30-minute, comprehensive educational film that identifies current statistics and highlights testimonials of both men and women that survived assault during their childhood or college experience.
- Task Force – A student task force was established to assist the Title IX Coordinator in planning programs and theme weeks to promote a safe campus and refer students to various resources available in the community.
- New Title IX Brochure – “Title IX Addressing Sexual Harassment/Sexual Violence” outlines our policy and procedures.
- New Violence Against Women Act Brochure – “Sexual Assault, Dating Violence Domestic Violence and Stalking on Campus” describes the four main categories covered under VAWA and offers suggestions on protective measures and recommends resources available to students.
- Advocacy training/resources – Resident Assistants, Resident Life Coordinators, Campus Safety, Student Task Force, Confidential Report Sources, and Deputy Title IX Coordinators are trained to assist individuals in the process of recovery and the resources available to help deal with traumatic situations.
- Student Orientation – During fall and spring orientation Student Affairs personnel address the issues of sexual assault and violence. A brochure has been developed that outlines definitions and procedures for reporting.
- Faculty Training – Before fall and spring semester the faculty are reminded about their Title IX responsibilities. After a review of HIU’s policy on sexual assault and violence each faculty member receives and reads a handout which outlines the program and their responsibilities. This document is signed by the faculty member and kept on file in the Director of Human Resource Office.

Investigations

The University never assumes a student is in violation of university policy. Campus investigations are conducted to take into account the totality of all evidence available, from all relevant sources.

The University reserves the right to take whatever measures it deems necessary in response to an allegation of sexual misconduct in order to protect students' rights and personal safety. Such measures include, but are not limited to, modification of living arrangements, interim suspension from campus pending an investigation, and reporting the matter to the local police. The university reserves the right to impose different sanctions, ranging from verbal warning to expulsion, depending on the severity of the offense. The university will consider the concerns and rights of both the complainant (*petitioner*) and the person accused of sexual misconduct.

Sexual Misconduct Offenses

Sexual Misconduct Offenses includes, but are not limited to:

1. Sexual Harassment
2. Non-Consensual Sexual Contact (*or attempts to commit same*)
3. Non-Consensual Sexual Intercourse (*or attempts to commit same*)
4. Sexual Exploitation

1. Sexual Harassment

- unwelcome, verbal or physical conduct that is,
- sufficiently severe, persistent or pervasive that it,
- unreasonably interferes with, denies or limits someone's ability to participate in or benefit from the university's educational program and/or activities, and is
- based on power differentials (*quid pro quo*), the creation of a hostile environment, or retaliation.

Examples include: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcome sexual attention; to punish a refusal to comply with a sexual based request; to condition a benefit on submitting to sexual advances; sexual violence; intimate partner violence, stalking; bullying.

2. Non-Consensual Sexual Contact

- any intentional sexual touching,
- however slight,
- with any object,
- by a man or a woman upon a man or a woman,
- that is without consent and/or by force.

Sexual Contact include an intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

3. Non-Consensual Sexual Intercourse

- any sexual intercourse
- however slight,
- with any object,
- by a man or woman upon a man or a woman,
- that is without consent and/or by force.

Intercourse includes vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (*mouth to genital contact or genital to mouth contact*), no matter how slight the penetration or contact.

4. Sexual Exploitation

- Invasion of sexual privacy;
- prostituting another student;
- non-consensual video or audio-taping of sexual activity;
- going beyond the boundaries of consent (*such as letting your friends hide in the closet to watch you having consensual sex*);
- non-consensual sharing of explicit pictures of a former girl/boy friend;
- engaging in voyeurism;
- knowingly transmitting an STI or HIV to another student;
- exposing one's genitals in non-consensual circumstances; inducing another to expose their genitals;
- sexually-based stalking and/or bullying may also be forms of sexual exploitation.

Occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

Additional Applicable Definitions

Gender-based violence: Gender-based violence is violence that is directed against a person on the basis of gender. It constitutes a breach of the fundamental right to life, liberty, security, dignity, and equality between women and men.

Consent: Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (*and the conditions of*) sexual activity.

- Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
- Previous relationships or prior consent cannot imply consent to future sexual acts.

Force: Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (*implied threats*) and coercion that overcome resistance or produce consent (*“Have sex with me or I’ll hit you. Okay, don’t hit me, I’ll do what you want.”*).

- Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.
- NOTE: There is no requirement that a party resists the sexual advance or request, but resistance is a clear demonstration of non-consent. The presence of force is not demonstrated by the absence of resistance. Sexual activity that is forced is by definition non-consensual, but non-consensual sexual activity is not by definition forced.
- In order to give effective consent, one must be of legal age.
- Sexual activity with someone who one should know to be — or based on the circumstances should reasonably have known to be — mentally or physically incapacitated (*by alcohol or other drug use, unconsciousness or blackout*), constitutes a violation of this policy.
- Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (*e.g., to understand the “who, what, when, where, why or how” of their sexual interaction*).
- This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another student is a violation of this policy. More information on these drugs can be found at <http://www.911rape.org/>

Use of alcohol or other drugs will never function as a defense to sexual misconduct.

Hostile Environment: A hostile environment is when such conduct has the purpose or effect of interfering with the individual’s work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one’s ability to participate in or benefit from an educational program or activity.

HIU considers a variety of related factors to determine if a hostile environment has been created; and also considers the conduct in question from both a subjective and an objective perspective. Specifically, Office of Civil Rights standards require that the conduct be evaluated from the perspective of a reasonable person in the alleged victim's position, considering all the circumstances. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment, particularly if the conduct is physical. Indeed, a single or isolated incident of sexual violence may create a hostile environment.

Response to Sexual Violence

The purpose of Hope International University's anti-harassment policy is to comply with all applicable legal requirements prohibiting harassment against any member of the HIU community. Moreover, as a Christian community, HIU has committed itself, unequivocally, to ensuring a working and learning environment in which the dignity of every individual is respected. Therefore, it is the purpose of this policy to maintain a work, academic, and campus environment free of unlawful harassment, which includes sexual assault, violence, or misconduct.

Members of the University community, guests and visitors have the right to be free from sexual violence. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. HIU has a zero-tolerance policy for sexual misconduct. When an allegation of misconduct is brought to an appropriate administration's attention, and a respondent is found to have violated this policy, serious sanctions will be used to reasonably ensure that such actions are never repeated. This policy has been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated. This policy is intended to define community expectations and to establish a mechanism for determining when those expectations have been violated.

While Hope International University utilizes different standards and definitions than the California Code, sexual misconduct often overlaps with the crimes of rape, sexual assault, sexual harassment, stalking, dating violence, and domestic violence. Victims of these behaviors are protected by federal laws, specifically Title IX (http://www.hiu.edu/pdf/Title_IX_Compliance.pdf) and the Clery Act, which mandates the contents of this report.

Other Gender-Based Misconduct Offenses

The following fall under Title IX regulations

- Threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of any person;
- Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of gender;
- Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
- Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the university community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity (*as defined further in the HIU Hazing Policy*);

- Bullying, defined as repeated and/or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally (*that is not speech or conduct otherwise protected by the 1st Amendment*).
- Violence between those in an intimate relationship to each other;
- Stalking, defined as repetitive and/or menacing pursuit, following, harassment and/or interference with the peace and/or safety of a member of the community; or the safety of any of the immediate family of members of the community (*this includes cyber stalking*).

Confidentiality, Privacy, and Reporting

Institutions must clearly articulate who are “responsible employees” under Title IX for purposes of initiating notice and/or investigation, and those who have more discretion on how they act in response to notice of gender-based discrimination. Different people on campus have different reporting responsibilities and different abilities to maintain confidentiality, depending on their roles at the university and upon university policy. When consulting campus resources, all parties should be aware of confidentiality, privacy and mandatory reporting in order to make informed choices. On campus, some resources can offer you confidentiality, sharing options and advice without any obligation to tell anyone unless you want them to. Other resources are expressly there for you to report crimes and policy violations, and they will take action when you report your victimization to them. Most resources on campus fall in the middle of these two extremes. Neither the university nor the law requires them to divulge private information that is shared with them except in certain circumstances, some of which are described below. A victim may seek assistance from these university officials without starting a formal process that is beyond the victim’s control, or violates her/his privacy.

It is also possible for employees to notify a supervisor, for students to notify an administrative adviser or faculty member, or for any member of the community to contact Campus Safety. All employees receiving reports of a potential violation of University policy are expected to promptly contact one of the above individuals within 24 hours of becoming aware of a report of incident. The initial contacts will be treated with the maximum possible privacy. Specific information on any complaints received is subject to the University’s obligation to redress violations; every effort will be made to maintain the privacy of those initiating the report of a complaint.

In all cases Hope International University will give consideration to the complainant with respect to how the complaint is pursued, but reserves the right to investigate and pursue a resolution when an alleged victim chooses not to initiate or participate in a formal complaint.

Confidential Reporting

You can seek advice from certain resources who are not required to tell anyone else your private, personally identifiable information unless there is cause for fear for your safety, or the safety of others. These are individuals who the university has not specifically designated for purposes of putting the institution on notice and for whom mandatory reporting is required, other than in the stated limited circumstances. If you are unsure of someone’s duties and ability to maintain your privacy, ask them before you talk to them. They will be

able to tell you, and help you make decisions about who can help you best. If your personally identifiable information is shared, it will only be shared as necessary with as few people as possible, and all efforts will be made to protect your privacy.

If one desires that details of the incident be kept confidential, they should speak with on-campus counselors. Campus counselors are available to help you free-of-charge, and can be seen on an emergency basis. In addition, you may speak on and off-campus with members of the clergy and chaplains, who will also keep reports made to them confidential.

The university considers these people to be “responsible employees.” Notice to them is official notice to the institution. You have the right and can expect to have incidents of sexual misconduct to be taken seriously by the institution when formally reported, and to have those incidents investigated and properly resolved through administrative procedures. Formal reporting means that only people who need to know will be told, and information will be shared only as necessary with investigators, witnesses, and the accused individual.

For all crimes listed above:

The Institution will, upon written request, disclose to the alleged victim of a crime of violence or non-forcible sex offense, the report of the results of any disciplinary proceedings conducted by the University against a student who is the alleged perpetrator of such crimes or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for the purposes of this paragraph.

1. Assistance for Victims:

Rights and options regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the university will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options. In California, a victim of domestic violence, dating violence, sexual assault or stalking has rights to be compensated for medical and counseling costs as well as the right to be notified of the status of criminal proceedings.

Further, the University complies with California law in recognizing orders of protection, which are called restraining orders, and requests that any person who obtains an order of protection from California or any U.S. State should provide a copy to Campus Safety and the Office of the Title IX Coordinator.

a. Restraining Order:

A restraining order (also called a "protective order") is a court order that can protect someone from being physically or sexually abused, threatened, stalked, or harassed. The person getting the restraining order is called the "protected person." The person

the restraining order is against is the “restrained person.” Sometimes, restraining orders include other “protected persons” like family or household members of the protected person.

b. Emergency Protective Order (EPO):

An EPO is a type of restraining order that only law enforcement can ask for by calling a judge. Judges are available to issue EPOs 24 hours a day. So, a police officer that answers a domestic violence call can ask a judge for an emergency protective order at any time of the day or night. The emergency protective order starts right away and can last up to 7 days. The judge can order the abusive person to leave the home and stay away from the victim and any children for up to a week. That gives the victim of the abuse enough time to go to court to file for a temporary restraining order. To get an order that lasts longer than an EPO, you must ask the court for a temporary restraining order (*also called a “TRO”*).

c. Temporary Restraining Order (TRO):

When you go to court to ask for a domestic violence restraining order, you fill out paperwork where you tell the judge everything that has happened and why you need a restraining order. If the judge believes you need protection, he or she will give you a temporary restraining order. Temporary restraining orders usually last between 20 and 25 days, until the court hearing date.

d. “Permanent” Restraining Order:

When you go to court for the hearing that was scheduled for your TRO, the judge may issue a “permanent” restraining order. They are not really “permanent” because they usually last up to 3 years. At the end of those 3 years (*or whenever your order runs out*), you can ask for a new restraining order so you remain protected.

d. Criminal Protective Order or “Stay-Away” Order:

Sometimes, when there is a domestic violence incident (*or series of incidents*), the district attorney will file criminal charges against the abuser. This starts a criminal court case going. It is common for the criminal court to issue a criminal protective order against the defendant (*the person who is committing the violence and abuse*) while the criminal case is going on, and, if the defendant is found guilty or pleads guilty, for 3 years after the case is over.

e. Institutional No Contact Order:

The University may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. To the extent of the victim’s cooperation and consent, university offices will work cooperatively to ensure that the complainant’s health, physical safety, work and academic status are protected, pending the outcome of a formal university investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services, visa and immigration assistance and assistance in notifying appropriate local law enforcement. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 40002(a)(2) of the Violence Against Women Act of 1194

(42 U.S.C. 13925(a)(20)). Further, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

2. Publication of Names:

The University does not publish the name of crime victims nor house identifiable information regarding victims in the Daily Crime Log or online. Victims may request that directory information on file be removed from public sources by request. Students may visit their online student portal and change their classification, which would subsequently restrict what information is able to be released. Students can do this with whatever frequency they choose. Employees who need to restrict directory access to personally identifiable information should contact Human Resources. The University can provide written notification to students and employees about existing resources available within University.

Adjudication of Violations

Although the University asks that you submit a written complaint, any suspected incident of sexual assault or violence will be investigated and addressed promptly, whether reported in writing or otherwise. Any University employee including administrators, faculty, and staff who observes any incident of sexual assault or violence involving a student or receives a complaint or other notice of such harassment, shall promptly report this information to the Office of Student Affairs whether or not the targeted student files a complaint.

Complaints must be filed within 180 days of the date of the alleged discriminatory events. You will be asked to provide details of the incident or incidents, names of individuals involved and names of any witnesses. The staff member in charge of the investigation will document all reports of incidents of sexual assault or violence. The University will immediately undertake an effective, thorough and objective investigation of the sexual assault or violence allegations.

The complainant will be provided the opportunity to present relevant evidence including witness testimony.

The University will interview individuals who have knowledge relevant to the complaint, including, but not limited to, the complainant (*petitioner*), the person who was the subject of the discrimination if different, the person accused of discrimination, anyone who witnessed the reported discrimination, and anyone identified as having relevant information. The University will review any records, notes, memoranda, correspondence or statements related to the discrimination. The University may take other appropriate investigative steps, such as visiting the location where the discrimination is alleged to have taken place.

The University shall determine whether interim measures are necessary during, (*and pending*), the results of the investigation, such as placing students in separate classes or transferring a student to a class taught by a different teacher. Any such actions, whether interim or permanent, shall avoid or minimize to the extent possible any burden on the student who complained. The University will investigate reports of sexual assault or violence promptly and will complete its process and notice of outcome within 60 days of receiving notice.

Depending on the specific nature of the problem, remedies for the complainant might include, but are not limited to:

- providing an escort to ensure that the complainant can move safely between classes and activities;
- ensuring that the complainant and alleged perpetrator do not attend the same classes;
- moving the complainant or alleged perpetrator to a different residence hall;
- providing counseling services;
- providing medical services;
- providing academic support services, such as tutoring

Procedure used by the University in addressing Stalking, Dating Violence, Domestic Violence

- assess immediate safety need of the complainant
- assist complainant with contacting local police if complainant request
- provide written instructions on how to apply for Protective Orders
- provide written information to complainant on how to preserve evidence
- assess need to implement inter or long-term protective measures to protect the complainant, if appropriate
- provide a “No Entry” directive to accused part if deemed appropriate
- In the case of student involvement adjudication will use the preponderance of the evidence standard.

Be an Active Bystander

If you think someone is at risk for sexual assault, consider it an emergency and get involved. Don't wait for someone else to act.

Tips for Intervening:

- Approach everyone as a friend.
- Be honest and direct.
- Don't be aggressive or use violence.
- Keep yourself safe.
- Get help from other bystanders, if necessary.
- Call the police if a situation becomes too serious.

Sanction Statement

At the conclusion of the investigation, the University will inform the complainant of the outcome of the investigation, whether or not the accused will be administratively charged and what the outcome of the hearing is. The accused will also receive a verbal and written report of the investigation.

Any student found responsible for violating the policy on Non-Consensual or Forced Sexual Contact (*where no intercourse has occurred*) will likely receive a sanction ranging

from suspension to expulsion, depending on the severity of the incident, and taking into account any previous student conduct code violations.

Any student found responsible for violating the policy on Non-Consensual or Forced Sexual Intercourse will likely face a recommended sanction of expulsion.

Any student found responsible for violating the policy on Sexual Exploitation or Sexual Harassment will likely receive a recommended sanction ranging from warning to expulsion, depending on the severity of the incident and taking into account any previous campus conduct code violations.

Sex Offender Registry

The Federal Campus Sex Crimes Prevent Act requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information is provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice, as required by state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, volunteers services or is a student.

In California, registered sex offenders are required to register with the state. Information about registered sex offenders may be found at www.meganslaw.ca.gov.

In addition to the above notice to the State of California, all sex offenders are required to deliver written notice of their status as a sex offender to Hope International University's Vice President of Student Affairs no later than three (3) business days prior to their enrollment in, employment with, volunteering at, or residence in the dorms of Hope International University. Such notification may be disseminated by Hope International University to, and for the safety and well-being of, the Hope International University community, and may be considered by Hope International University for enrollment and discipline purposes.

Missing Persons

HIU takes student safety very seriously. To this end, the following policy and procedure is to assist in locating HIU student(s) living in campus residence halls, who, based on the facts and circumstances known to the University, are determined to be missing.

This policy complies with Section 488 of the Higher Education Act of 2008. (*For students reported missing who live off campus, see Item 6 below.*)

Most missing person reports in the university environment result from students changing their routines without informing their roommates and/or friends of the change. Anyone who believes a student to be missing should report his or her concern to Campus Safety, the Residence Life staff or the Student Affairs staff.

An immediate investigation will follow every report made to the University once a student has been missing. Parents of a missing student under the age of 18 or not emancipated will be notified. In the event that parental notification is necessary, the Vice President for Student Affairs or designee will place the call.

At the beginning of each academic semester, residential students will be required to complete/update the "Emergency Contact" portion of our student portal. The information provided will be used in the event that a student is reported missing while enrolled

and living on campus at Hope International University. Hard copies of this emergency information will be in each Residence Life Coordinators' Office and in the Office of the Vice President for Student Affairs. The University will initiate the "Emergency Contact" procedure in accordance with the student's designation if the student has been missing for 24 hours and has not returned to campus.

General Procedure

1. The HIU official receiving the report will collect and document the following information at the time of the report:
 - a. The name and relationship of the person making the report.
 - b. The date, time and location the missing student was last seen.
 - c. The general routine or habits of the suspected missing student (*e.g., visiting friends who live off-campus, working a job away from campus*) including any recent changes in behavior or demeanor.
 - d. The missing student's cell phone number (*if known by the reporter*).
2. The Hope International University official receiving the report will contact the Residence Life Coordinator (*for a resident student*) and Campus Safety. Campus Safety with the assistance of Residence Life (*if a resident student*) will launch an investigation into finding the missing student.
3. Upon notification from any entity that a student may be missing, the Resident Life Coordinator or their designee may use any or all of the following resources to assist in locating the student:
 - a. Go to the student's residence hall room,
 - b. Talk to the student's RA, roommate, and floor mates to see if anyone can confirm the missing student's whereabouts and/or confirm the date, time, and location the student was last seen.
 - c. Secure a current student photo ID or other photo of the student from a friend.

Emergency Evacuation Procedures and Policies

Hope International University's Crisis Management Plan addresses the University's response to emergencies. Members of the University community should familiarize themselves the information in this plan. Brochures are distributed to offices on campus and information is placed in all classrooms.

The plan has provisions for division of responsibility for administrators, staff and faculty to perform during a crisis on campus. Bi-annual drills are conducted and with a review of each building evacuation and shelter in place procedure and location. California State University police officers are invited to observe HIU's shelter in place drills and evaluate their effectiveness. Feedback from the CSUPD is used to enhance safety effectiveness.

Emergency Notification System

Hope International University will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on the campus.

The University contracts with an outside agency for an emergency notification system (ENS). This is a web-based system that can be activated either from a computer or a smart phone. It has the capability of accessing select groups or the entire community of faculty, staff, and students. The ENS is used in situations where immediate notification is required due to a threat to the health and safety of the campus community, or any other emergency situation in which information needs to be disseminated quickly.

If the Hope International University Crisis Management Coordinator confirms (*with the assistance of key campus administrators, local first responders or the National Weather Service*) that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the Hope International University community, the Crisis Management Coordinator or designee will determine the content of the initial message. The Crisis Management Coordinator and key administrators on the Crisis Management Team have the ability to send messages using some or all of the systems described below to communicate the threat to the Hope International University community, or to the appropriate segment of the population.

Hope International University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system,

unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Emergency messages will be distributed using the following primary distribution methods: Email, voice mail, and instant text messaging.

Messages will generally have this format:

“EMERGENCY NOTIFICATION FOR HIU. [SITUATION] in progress at/in [LOCATION].
-Or- [SITUATION] occurred at [TIME]. [PERSON/AGENCY/DEPT] on scene. Situation is [STABLE/UNDER CONTROL/SERIOUS]. Access to campus is [RESTRICTED/CLOSED/NORMAL]. [DATE/TIME]”

The Emergency Notification System is tested at least twice each year.

Other forms of emergency notification include the Hope International University home web page, and social media outlets.

Emergency Response Procedures

a. Campus Drills and Exercises

The Hope International University Crisis Management Plan includes information regarding shelter-in-place and evacuation guidelines and procedures. At least two campus-wide evacuations take place annually. Testing of the Emergency Notification System is conducted at least twice each year.

These tests and exercises are designed to assess and evaluate the emergency response plans and capabilities of the institution. These tests may be announced or unannounced. General information about the emergency response and evacuation procedures is publicized each year as part of the University’s Clery Act compliance efforts.

b. Evacuation Procedures

1. All faculty, staff and students should note the following at the beginning of each semester.
 - a) Look at the evacuation diagrams for the building and rooms you will be in.
 - b) Know the location of at least TWO exits,
 - c) At the sound of an alarm...
 - 1) Stop whatever you are doing.
 - 2) Turn off, or close the container of anything potentially hazardous, if you can.
 - 3) Grab your personal possessions quickly.
 - 4) Do not take time to gather more things than you can quickly fine.
 - 5) DO NOT WAIT! Walk to the nearest exit.
 - 6) If your nearest exit is blocked, move immediately to another exit.
 - 7) If you need assistance, notify the faculty member or building coordinator so they can summon an appropriate response for you.

2. Special Note to Faculty

a) Students will look to you for guidance in emergency situations and practice drills, so make sure you know all of the emergency exits in every building you teach, or have an office.

b) Before an Evacuation

1) On the first day of class and in your course syllabus include the following:

- Review emergency exits for the room and building.
- Review the location of nearest phone.
- Identify building evacuation gathering point(s).
- Notify students that if more than one building is being evacuated the primary gathering point is: The Student Parking lot or the Nutwood Lawn.
- Develop a “buddy” system or other method for attendance accounting.
- Review the actions to be taken in the event of a shelter in place.
- Notify students that backpacks and other personal belongings are to be kept with them at all times. Do not disturb a suspicious object. Backpacks left unattended pose a risk and may be confiscated or destroyed.

2) In the event of a command to evacuate:

- Instruct student to gather personal belongings.
- Do not allow anyone, including yourself, to remain in the room, or building.
- Offer assistance if someone needs it.
- Proceed with class to the established gathering point.

- Wait with class at the gathering point until given further instructions by the appropriate emergency personnel.
- FOR EVENING OR WEEKEND CLASSES, Building Coordinators may not be available, so be ready to take the lead and guide your students out of the building to a safe location.

c. Crisis Management Plan

The Hope International University Crisis Management Plan is designed to provide a resource for University personnel, administrators, students and to include crisis coordinators in assisting with information and guidelines in planning and responding in a crisis. While the Plan does not cover every conceivable contingency situation, it does supply the basic administrative guidelines necessary to cope with most campus emergencies.

This Crisis Management Plan describes and directs the University's response to emergency situations and disasters. It becomes effective for Hope International University when a hazardous condition reaches or has the potential of reaching proportions beyond the capacity of normal campus operations to handle.

The purpose of this multi-hazard emergency operations plan is to provide the framework for coordination and full mobilization of university and external resources. It establishes an emergency management system for the main campus in Fullerton and all campus off-site centers. Additionally, it clarifies strategies to 1) prepare for, 2) respond to, and 3) recover from an emergency or disaster incident that could impact the campus or region.

The goal of the plan is to provide a system to manage personnel and resources to respond effectively to critical situations. The following objectives support this goal: Establish and staff an effective emergency response and communications system;

1. Request and coordinate mutual aid according to established procedures;
2. Identify potential hazards that could affect the campus;
3. Manage the movement, reception, and care of the campus community during an emergency or catastrophic event;
4. Assemble a team of trained personnel to operate the Emergency Operations Center in times of crisis;
5. Restore essential services.

Consistently integrated into every facet of this system is the response priority to preserve life, provide stability to the situation and to protect the environment, in that order. All campus administrators, especially those whose responsibilities and authority include the operational areas specified in the Crisis Management Plan, must adhere to these guidelines. Only those University administrators responsible for directing and/or coordinating emergency operations may approve exception(s) to these crisis management procedures as required to fulfill the emergency response.

Annual Fire Safety Report

Hope International University publishes this fire and safety report as part of its annual Clery Act Compliance. This report contains a description of the fire safety practices and standards for HIU, including statistics concerning the number of fires, the cause of each fire, the number of injuries and deaths related to a fire and the value of the property damage caused by the fire. This report is available for review 24 hours a day on our HIU website. A physical copy may be obtained by making a request to the Department of Student Affairs at 714-879-3901 ext.2311.

Fire Safety

A daily fire log is available for review by visiting the Department of Student Affairs Offices located in the Lawson/Fullerton Student Center, second floor, suite 209. The fire log includes information about fires that occur in the residential facilities, including the nature, date, time and general location. If a fire occurs in a HIU building, community members should immediately notify Campus Safety and or dial 9-1-1. When calling, provide as much information as possible about the location and cause of the fire.

The University takes fire safety seriously and has established fire safety programs for the student living in on-campus residence halls. Fire evacuation plans are posted in each resident's room. Drills for evacuation and shelter in place are practiced each year.

Means for Reporting a Fire

Pull the nearest fire alarm pull station if available. Pull station are usually located near building exits. Contact 9-1-1 and call Campus Safety at 714-681-7333.

Evacuation Procedures

- Call 9-1-1. Make sure you have the correct address available (651 Titan Dr, Fullerton, CA 92831).
- Check your door with the back of your hand before opening it to make sure it is not hot and the fire is not on the other side.
- Sound the alarm. Your building is equipped with a fire alarm pull station. To activate the alarm, pull the handle in the fire alarm box closest to the location of the fire. Alert others in your living space by shouting "FIRE."
- Immediately evacuate, get out and stay out. DO NOT FIGHT THE FIRE. Contact Campus Safety: (714) 681-7333
- If you encounter smoke when leaving the building stay low to the floor as possible.
- If you become trapped in your building or room, hang something outside the window such as a sheet or curtain to warn firefighters that you are still in the building. Place wet towels around the top, sides, and bottom of the door to your room. Close any remaining doors to reduce the fire's spread.
- Your building hallway is equipped with fire separation doors; make sure they are never blocked to ensure their closure.
- Remain outside of the building and at a safe distance away from the building. Have a central meeting place so everyone in your group can be accounted for. DO NOT RE-ENTER THE BUILDING. Immediately notify fire fighter personnel on scene that everyone in your group is safely out of the building.

CHRIST-CENTERED COMMUNITY

The Student Life Staff is committed to fulfilling the mission of HIU by creating a Christ-centered community that promotes faith, encourages service, and deepens learning. Our philosophy of co-curricular higher education is founded on two basic principles:

Biblical Perspective: Our goal is to understand, interpret and respond to every aspect of the Hope community from a Biblical point of view.

Responsible Freedom: HIU recognizes that while the Scriptures do not provide specific teaching regarding all social and moral practices, they do advocate self-restraint in situations that may be harmful or offensive to others. HIU is committed to upholding standards that will support this philosophy and help our students learn to live by its guidance.

Student status at HIU carries with it a distinct set of privileges and responsibilities. HIU students live in a community with their peers and are entrusted with the responsibility to care for one another in a Biblically cooperative and communicative fashion. This environment provides students with enriching experiences which may be an impetus for healthy interpersonal relationships, diversity of thought and culture, and stimulating academic growth. Student Life strives to address the needs of the HIU community through activities and programs that meet the spiritual, social, emotional, and physical needs of all our students. The staff of Student Life is responsible for coordinating and implementing activities that encourage students to: define their values and beliefs, explore their interests, express their gifts and personal leadership abilities, formulate questions and pursue answers, and learn to fellowship with others within a Christian community.

Human Sexuality

HIU believes sexuality is a gift from God and is basic to human identity as well as a matter of behavioral expression. The appropriate expression of sexuality takes place within the context of a marriage covenant between a man and a woman and those individuals remain celibate outside of the bond of marriage. Therefore, HIU seeks to cultivate a community in which sexuality is embraced as God-given and good and where biblical standards of sexual behavior are upheld.

Sexual relations of any kind outside the confines of marriage between one man and one woman are inconsistent with the teaching of Scripture, as understood by Christian churches throughout history. As such, the HIU community expects all students to respect these values regarding issues of human sexuality.

Student Life Staff

Committed to providing an environment that will help students be successful while at Hope International University.

Director of Student Involvement & Community Outreach

Oversees New Student Orientation, Student Activities, and Community Outreach programs.

Alpha Residence Life Coordinator (*Alpha RLC*)

A live-in administrator that oversees the Residence Life program and Resident Assistants (RAs) in the Alpha Hall.

Omega Residence Life Coordinator (*Omega RLC*)

A live-in administrator that oversees the Residence Life program and Resident Assistants (RAs) in the Omega Hall.

Residence Life

HIU is committed to providing a residential experience that complements and supports the Mission of the HIU and the Department of Student Affairs through creating a living-learning environment for the lives of all residents. In this endeavor we provide a professional and trained staff to meet your needs and help you foster a dynamic and healthy education.

Living-learning Environment: Our desire for creating a fruitful living-learning environment stems from a commitment to show Christ's love to all students. This love not only means understanding and supporting one another, but also requires a willingness to confront others whose behavior is harmful to themselves and to the community. Love, in both regards, provides the environment of positive influence conducive to learning and to the energizing presence of the Spirit of the Lord.

While HIU reaches out with love and understanding, it would not be faithful to its responsibility to the student, other members of the community, nor to those who support it and look to it for graduates, if it did not appropriately respond to those whose behavior is unacceptable. HIU believes that redemptive discipline should be:

- A meaningful learning experience that encourages responsible behavior
- Based on the Scriptural concepts of love and justice.
- Consistent with the best interests of both the individual and the University community.

Residency Requirement

Living within the campus community is an important aspect of a student's personal development and education. Research continues to demonstrate that students who live on campus benefit in a number of ways. In fact, students who live on campus beyond their freshman year:

- Are more likely to persist and graduate
- Gain more interpersonal contacts with faculty and peers
- Experience greater personal growth and development
- Have higher academic engagement and grade point average
- Have higher social-interpersonal engagement
- Participate more in out-of-class activities
- Have more positive and inclusive attitudes and openness to diversity
- Find more satisfaction with their undergraduate experience

(Source: How College Affects Students: A Third Decade of Research by Ernest Pascarella and Patrick Terenzini. San Francisco: Jossey-Bass Publishers, 2005)

For these reasons, all full-time students (12 units)* 21 years of age or younger are required to live on campus.

Students must reach the age of 22 prior to the beginning of the semester to reside off campus.

All HIU Students living in the Residence Halls are required to be on a meal plan. Please refer to the Housing Contracts available in the Student Life office for more information regarding the housing and meal plan information. Exceptions to being on a meal plan are considered on a case-by-case basis and need to meet the criteria of extraneous circumstances, which will be verified by the Vice President for Student Affairs.

Living Off-Campus

All students desiring to live off-campus must fill out a Housing Exemption form. To live off-campus, students must meet one of the following criteria:

- Student will be living with their parents or guardian.
- Student will be at least 22 years of age prior to the start of the academic year.
- Student is married.
- Student is the parent/legal guardian caring for a dependent child.

For other circumstances that do not meet the previous criteria (*i.e. medical reasons, military service*), students must fill out a Housing Exemption form and schedule a meeting with the VP for Student Affairs to discuss the circumstances.

Meal Plan

HIU desires to provide residents an environment that promotes physical wellness and healthy eating habits. Therefore we do require all of our residents to have a meal plan. A resident may petition to reduce his or her meal plan for special circumstances (*i.e. medical condition*). Residents must attach a written explanation and other appropriate Information to their Housing Contract. The VP for Student Affairs may need to schedule a meeting with the resident for more information.

Meal plans are available to commuter students.

Note: Completing a Housing Exemption form or requesting a meal plan reduction does not guarantee any exemptions or reductions.

COMMUNITY STANDARDS & POLICIES

Higher Standards of Student Conduct

HIU has chosen to set itself apart for the purpose of training and equipping Christian servant leaders. It is crucial therefore, that student attitudes and behaviors reflect the character of Jesus Christ at all times. Students, by their voluntary membership in this Christian community, assume responsibility to abide by all the regulations of the University, as well as to use personal discretion involving any activities which may be morally or spiritually destructive or reflect poorly on the campus community. In particular, HIU expects students to refrain from being under the influence of intoxicants, using or possessing illegal drugs, and inappropriate sexual behavior, including any conduct of sexual harassment. All students represent Christ and HIU wherever they are, and are expected to exhibit a distinctive Christian lifestyle in all their activities, both on and off campus.

Community standards and codes of conduct are in place for the express purpose of moving students toward Christian maturity and service and creating an environment that is conducive to academic learning, personal growth and development.

Human Sexuality

HIU is an educational community that regards the Bible as the authoritative Word of God and embraces its teachings as our rule of faith and practice. The Christian Church's historical understanding of Scripture considers sexuality as a gift from God that is basic to human identity and a matter of behavioral expression within the context of a marriage covenant between a man and a woman. Therefore, all members of the campus community including trustees, administrators, faculty, staff, and students are expected to uphold this biblical standard. Any other expression of sexual behavior is considered unacceptable and contrary to biblical teaching.

Sexual misconduct, as are all disciplinary matters, will be handled in a manner consistent with University guidelines designed to be redemptive and developmental with accountability for one's actions.

Integrity and Accountability

Students are expected to maintain lives of integrity regarding Biblical principles and standards of conduct adopted by the campus community. HIU firmly believes that true discipleship requires that maturing Christians submit themselves to accountability within the Body of Christ, and that they take personal responsibility for their actions.

If the Mission of HIU is to be realized, both the institution and its members have an obligation to confront known sin and breaches of integrity in the ranks of its membership. It is expected that confrontation of this nature be expressed in Christian love, with the purpose of redeeming and restoring the individual. The formal judicial process always attempts to confront misconduct in an educative posture that the student might learn from the experience, respond to the correction, and be reconciled to the community whenever possible.

Affirmations of Cultural Diversity

HIU recognizes the influence that culture and ethnicity has in shaping the unique contributions of community members. HIU is committed to affirming these contributions and creating opportunities for synergistic reasoning and insights. This commitment is based on a belief that community members should be able to maintain their unique cultural distinctiveness, while sharing mutual respect for the cultural experiences of others.

Sanctity of Life Statement

HIU embraces a Biblical position which honors the sanctity of human life. Consequently, HIU cannot support actions which encourage or result in the termination of human life through suicide, euthanasia, or abortion-on-demand.

HIU's belief in the sanctity of life influences its response to those students who are involved in a crisis pregnancy. The campus community is prepared to stand with both the father and mother of the unborn child as they consider the results of their actions and experience the forgiveness that comes from hearts of repentance. Abortion is not advised or entertained as an alternative solution. HIU is committed to assisting both the father and mother with other alternatives.

Continuity of on-campus residency and/or enrollment as a student of the University will be considered in the light of what is best for all those involved. As always, persons in such a crisis will find HIU supportive and redemptive during this crucial period.

Move In and Move Out dates

The check in dates and move out dates are listed in the HIU Housing Guide. Students may not move in earlier or stay later without permission from the Student Life Office.

Residents not continuing in the spring must move out by the end of the fall semester. Residents are not required to vacate their room during winter break if they are continuing housing in the spring semester.

Summer Housing

Cancellation

The housing contract, when signed, is binding and in effect for the entire indicated academic year, unless terminated or canceled under the terms of the housing contract. To request a release from the contract, the resident must completely fill out the "Housing Exemption" form and turn in any additionally requested documents to the HIU Housing Office. Completion of the "Housing Exemption" form does not constitute approval.

Upon approval of the "Housing Exemption" form, the resident's financial account shall be credited in accordance with the refund schedule listed.

Upon check out of the room, you will need to schedule a time with a Residence Life team member. They will check your room at the scheduled time for damages and cleanliness and note any items. They will also take your key at this time. Failure to schedule a check out time, missing or postponing a scheduled check out time, room damages, rooms left messy, and failure to turn in keys will result in fines and other charges.

HIU assumes no liability for loss of personal property resulting from theft, loss, or damage due to fire or flood, etc. Residents are strongly encouraged to have personal property

insurance through a renter's or homeowner's insurance policy, as HIU does not provide insurance for personal property belonging to the resident.

Room Privacy

If there is probable cause to believe that a violation of the law or that a violation of an HIU policy has occurred or is taking place, HIU reserves the right to enter immediately.

If there is probable cause to believe that there is an imminent danger to life, safety, health, or property, HIU reserves the right to enter immediately.

The Residence Life team does routine safety and wellness checks of the room to inspect resident safety and living conditions. Also, Operations and Information Systems may need access to a room for repairs. Residents will be notified prior to entry.

If a HIU staff member or student comes across a violation of HIU policies, appropriate action will occur.

CODE OF CONDUCT

VIOLATIONS

The Vice President for Student Affairs (VPSA) serves as the Chief Student Conduct Officer at HIU and may appoint a designee in Student Affairs to assist in the enforcement and resolution of violations to the Codes of Conduct.

Each incident is reviewed on a case by case basis, with consideration to

1. the severity of the violation,
2. the context of the incident,
3. a history of prior misconduct,
4. the responsiveness of the accused to confrontation, and
5. the degree to which the individual displays genuine repentance.

Procedure

In order to be very clear in what a student may expect when/if he/she has violated the Student Conduct Code or HIU policy, we have outlined the normal procedures for the investigation:

1. The violation(s) occur(s).
2. Information is reported to a university official which is passed to the Student Affairs designee.
3. The information is assessed in order to make sure a certain threshold of evidence (*credibility of the information*) deems an investigation.
4. Any and all students believed to be directly or indirectly involved in the violation may be called in by the designee to give any information regarding the incident.
5. Any information given to the designee during this process is used to bring more clarity to the events surrounding the violation(s).
6. Once the designee believes it has the best possible picture of the events of the violation(s), the designee will determine the best course of action for the benefit of the student(s) involved and possible sanctions.
7. Sanctions, if any, determined by the designee will be communicated to the applicable students. Student sanctions are not announced to other students or outside entities, unless the situation deems it necessary, at which the sanctioned student will be informed.
8. A student may choose to appeal the original decision. Please see section entitled "Right of Appeal" for appeals process.

Our goal is to follow procedures defined by federal, state, and local laws and policies. When laws and policies change during the school year, we are obligated to adjust our procedure.

Please note that these procedures listed are for violations for policies outlined in the HIU Student Handbook. Violations of academic policies may be included in these procedures. However, a separate interview and disciplinary process may be conducted by Vice President of Academic Affairs or his/her designee.

Disciplinary Action

HIU aims to teach students both inside and outside the classroom. We have an obligation to discipline our students so they may become good citizens in society, great neighbors in their community, and servants of Christ.

Our goal is to create a community at HIU where students can develop intellectually, socially, and spiritually. The policies we have put into place create a useful framework to build on. The enforcement of our policies ensures the development of our community.

The following is a list of possible sanctions and definitions. When a student is assigned a sanction, the designee will provide more details. Students receiving a sanction do not have the right to choose their sanction, however they may choose to appeal.

Level 1: For minor issues, students will be put on **Student Life Warning** for a specific amount of time. A warning is simply a warning and a chance for the student/resident to reconcile with the community immediately. Additional sanctions or service requirements may be included. - Minor property damage
- Smoking or tobacco use
- Burning objects
- Failure to comply with university officials

One does not have to be put on warning or probation before being issued suspension/expulsion. Violations include, but are not limited to, the following examples:

- Selling or distributing any controlled substance or illegal drug

Fines

Monetary fines may be assessed as an additional sanction in certain circumstances. The amount of the fine will be listed clearly to the student. The student will have to contact the Student Accounts office to pay the fine.

Restoration

HIU is a unique place because of its amazing community. We always strive to be an inclusive community where all feel welcome and we desire a plan of reconciliation to the community for anyone who has violated a HIU policy. For restoration to be effective, the student/resident must be willing to change and be active in restoring themselves.

Restoration plans are formulated differently for each individual in each individual case. There are some cases that a student/resident will be removed temporarily or permanently for the health of the community.

Community Service

In some cases, students will be assigned community service as a sanction. The student will work with the designee to set up the service project. To qualify as a service project, the student cannot be compensated for their service or receive any academic credit.

Rights and Responsibilities in the Interview and Disciplinary Process

1. Students are expected to comply with staff requests during disciplinary process, including requests to meet, requests for confidentiality and requests to provide information pertinent to the process.
2. Students are expected to be honest and forthcoming, and to not withhold any information regarding their behavior or the behavior of another student.
3. Students are expected to refrain from influencing the testimony of another or impede the process in any way.

6. Parents may be contacted in the course of the process in accordance with the Family Educational Rights and Privacy Act of 1974. Prior notice will be given to students when parents are to be contacted.

Right of Appeal

The student has the right to appeal any disciplinary action based on the following:

1. There is evidence that the disciplinary procedures were not followed.
2. New evidence has been discovered.
3. There is substantial evidence that a member or members of the interview and disciplinary process were biased against the student.

A decision made by the designee may be to appeal to the VPSA within 2 working days from the original decision. The appeal must be made in writing and consist of a statement detailing the reasons for appeal. The VPSA may request a meeting with the student, the designee, or any individual involved in the interview and disciplinary process.

Upon receiving an appeal, the VPSA may:

1. Deny the appeal

2. Accept the appeal, but uphold the disciplinary decisions
3. Accept the appeal, and send back suggestions to the designee for changes

The appeal process is not to rehear the case and render a second judgment, but to determine if the interview and disciplinary process has been fair and reasonable, the evidence supports the findings, and the consequences are justified by the outcome.

Re-Admission of a Dismissed Student

A student who was dismissed from HIU and desires to return to HIU after a determined period of absence must file a completed Petition for Re-Admission with the department that issued the dismissal.

- Student Life Dismissal: Submit petition to the Vice President for Student Affairs.
- Academic Dismissal: Submit petition to the Dean of the academic college in which you are enrolled.

The department that receives the petition will make a ruling on the petitioned request to re-enroll. If approved, the student will be expected to go through the full enrollment process as a Returning Student through the Admissions Department.

Special Administrative Evaluation

HIU reserves the right to deny continued enrollment or re-admittance to any student whose personal history indicates that his or her presence at the University would endanger the health, safety or welfare of themselves or members of the HIU community. A student may be subject to special requirements or sanctions, including suspension or dismissal for actions not otherwise covered in the “Community Standards and Policies” if it is determined from the student’s behavior that he or she:

- Lacks the capacity to understand the nature of the charges against him/her or to respond and participate in the disciplinary process;
- Poses a danger to self or others;
- Refuses to receive evaluative testing or counseling when asked to do so;
- Lacks the ability to care for him/herself;
- Through their behavior has become a disruption to the orderly function of the University community.

In such instances the case will be referred to the Vice President for Student Affairs or the President, who will schedule an evaluation of the student by appropriate medical or mental health professionals on or off campus. All costs associated with any evaluation will be the responsibility of the student.

ADDITIONAL POLICIES

Withdrawal Process

For students who will no longer be attending HIU, an Exit Interview must be completed with the Student Life Office. The Exit Interview provides important feedback to the University and helps the Student Life Office identify the student's unique and specific needs as they are considering withdrawal. During the Exit Interview the student is also introduced to the Withdrawal Checklist which provides a step-by-step support and explanation of the withdrawal process.

Please be aware that withdrawing from classes should be a last resort; speak to, and work with, our offices in order that we may serve you in the best way we can. We do not wish to lose you as a student, and we may be able to help. Please also understand that withdrawing from school once classes have begun will have financial implications.

Learning Accommodations

In order to receive helpful accommodations, HIU needs a student with a disability to register with the Vice President for Student Affairs who provides support services for students with disabilities. It is the student's responsibility to request services in a timely manner. The Vice President's office confirms the student's disability and eligibility for services and accommodations. A course instructor typically receives notification from this office detailing recommended accommodations for a student. The student with a disability is responsible for meeting all course requirements using only approved accommodations.

The goal is to give the student with a disability equal access to the learning environment. Individualized accommodations are not designed to give the student an advantage over other students, to alter a fundamental aspect of the course, nor to weaken academic rigor.

A specific learning disability is unique to the individual and can be manifested in a variety of ways. Therefore, accommodations for a specific student must be tailored to the individual. The following are examples of classroom, assignment, and examination accommodations that may be recommended for a student with a learning disability. When in doubt about how to assist a student, work with the student privately or contact the Vice President for Student Affairs' office which provides support services for students with disabilities.

Registering Accommodations

In order to register accommodations, students must complete the Disability Verification Form and submit it to the Vice President for Student Affairs via email, fax, hand delivered or postal mail.

Students must also submit documentation from a qualified professional to support a request for accommodations. Further, submitted information must meet HIU disability documentation guidelines. The documentation should be submitted to the office of Student Affairs along with the Disability Verification Form.

Determination of Accommodations

Because students' needs vary, accommodations are determined on a case-by-case basis. After documentation is evaluated by the Vice President for Student Affairs, the student will be notified as to whether or not they have met the established guidelines and verifies that there is a functional limitation. Please note that the Vice President for Student Affairs may seek input from others, such as the professional providing the documentation before making a decision regarding reasonable accommodations.

The Vice President will discuss the initial accommodations letter with the student to insure all accommodations are addressed. The student must then acknowledge acceptance of the accommodations in person.

Notification of Instructors

The Vice President for Student Affairs will send a letter that lists the approved accommodations to the student's professors. It is the student's responsibility to contact each professor to discuss the accommodations.

Accommodation letters are only valid for the term in which they are issued. Therefore, each term, students will be contacted to review ongoing accommodations.

Examples of Accommodations

Classroom and Assignment Accommodations

- provide effective peer note-takers from the class.
- allow the student to tape record lectures.
- allow the student additional time to complete in-class assignments, particularly writing assignments.
- allow for course modification such as extended length of time to complete a program.
- provide feedback and assist the student in planning the workflow of assignments. This is especially important with large writing assignments.
- provide assistance with proofreading written work.
- allow for course substitution with dean approval.

Examination Accommodations

- extended exam time, typically time and one half to double time.
- to take exams in a room with reduced distractions.
- the assistance of a reader, scribe, or word processor for exams.
- the option of an oral exam.
- to use spelling and grammar assistive devices for essay exams.
- to use calculator for exams.
- to use scratch paper during exams.

Students should discuss any concerns or problems related to the provision of reasonable accommodations with their Academic Advisor. If a student disagrees with the accommodations or has a complaint related to services provided by the Academic Advisor, he or she may utilize the appeals process by contacting the Vice President for Student Affairs.

Family Educational Rights and Privacy Act (*FERPA*)

HIU permits enrolled students visual access to previous educational records such as high school transcripts, college transcripts (*if a transfer student*), SAT score reports, and transcript of work completed at HIU.* This policy complies with the Family Educational Rights and Privacy Act of 1974 (*FERPA*). To obtain transcript copies of work completed at HIU, all financial obligations to HIU must be paid in full.

**To accommodate you, an appointment with Registrar's Office staff may be required.*

HIU considers the following to be "Directory Information" and may disclose such information to third parties without consent of the student unless the student has directed the University (*in writing*) not to release such information about him/her self: name, telephone number, address, date and place of birth, dates of enrollment, classification, degree program(s), major(s), honors and awards.

No other information contained in the student's permanent educational record is released to others, including parents or spouse, without the written consent of the student, unless the student is claimed as a dependent. The only exceptions are staff members, administrative officers, and faculty members who have a legitimate professional right to the information.

HIU reserves the right to contact a student's parent(s) or guardian(s) when a situation, (*i.e. discipline, health, etc.*) is deemed extreme, endangering the student or the HIU community.

A student's academic record and placement file will be kept confidential by responsible campus personnel.

Exceptions:

1. In cases authorized by the student.
2. In cases of legal compulsion.
3. In a situation where the safety of a person or property is involved.

Academic Integrity

Because HIU seeks to develop mature Christian leaders and scholars, the University is committed to the principle of academic integrity. Consequently, all forms of dishonesty, including plagiarism or cheating in any form are wrong, non-productive, and contrary to the University's educational objectives and the student's best interest. The principal rule of academic integrity is that each member of the University community will do one's own work, executed to the best of one's own ability, exclusively for the assignment for which it is presented

Plagiarism is "stealing" the unique ideas or the wording of another (*including information retrieved from the Internet*) and then presenting those products as one's own. Examples of plagiarism include cheating on examinations; copying others' work; cutting and pasting from Internet sources without proper citations and purchasing, renting, borrowing, or otherwise appropriating the research, projects, or assignments of others, and presenting them as one's own work.

It is also an egregious violation of academic integrity for students to offer for sale (*or without cost*) directly to other students or through a “middleman” papers, examinations, quizzes, or other academic products. Such violations are grounds for academic dismissal.

Breaches of academic Integrity carry one or more of the following penalties, depending on the severity of the infraction and repeated violations:

1. Repeat of assignment with penalty on resubmitted work.
2. Zero (0) credit for the violated assignment. This is the standard penalty for a first violation
3. Zero (0) credit (“F”) for the course involved. This is the standard penalty for a second violation.
4. Academic dismissal from the University. This Is the standard penalty for a third violation.

Academic Dismissal Policy

A student may be academically dismissed from Hope International University for violation of academic integrity (*as defined in this Handbook’s section on Academic Integrity*), or by failing to meet conditions of academic probation (*as defined in the Catalog’s section on Academic Probation*), by demonstrated disengagement from the learning process so that academic progress toward a degree is unlikely, or for behavior that disrupts the learning process in the classroom environment, on campus or online (*at the discretion of the College Dean*). When academic dismissal occurs, a student must wait at least twelve months from the date of dismissal before they are eligible to petition to re-enter the University. There is no guarantee that such petitions will be approved.

Access to Records

All requests for access to records shall be presented in writing to the manager of the office which maintains the records. That office shall specify the time and manner in which records may be inspected. The administrator shall provide any necessary explanation or interpretation of the records. Copies of any records, except academic records and test scores, may be obtained at the current copying rate. The release of academic records will require a written/signed request in advance, and will be subject to copying fees. As a matter of professional courtesy and standard operational procedure, it is the University’s policy not to release copies of academic records from other institutions, either to the student or to a third party. The student has the right to challenge records that he/she thinks are inaccurate or misleading. Such appeal must be submitted in writing to the appropriate Academic Dean.

Gov't Code §12598], which provides public means to submit complaints regarding non-profit colleges and universities that abuse their status under the Internal Revenue Code of 1986 (23 U.S.C. §501(c)(3)). The California Attorney General is given broad powers to undertake law enforcement investigations and legal actions to protect the public interest under Cal. Gov't Code §12598.

Most complaints made to media outlets or public figures, including members of the California legislature, Congress, the Governor, or individual Regents of Hope International University are referred to the University President's Office.

Nothing in this disclosure should be construed to limit any right that you may have to take civil or criminal legal action to resolve your complaints. Hope International University has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated CFR 34, sections 600.9(b)(3) and 668.43(b). If anything in this disclosure is out of date, please notify the Office of Student Affairs at Hope International University, 2500 E. Nutwood Ave., Fullerton, CA 92831.

On October 29, 2010 the United State Department of Education issued a Final Regulations on Program Integrity Issues [75 FR 66831] that includes regulations at 34 CFR §600.9 requiring that educational institutions not created by the state be “established by name as an educational institution by a State through a charter, statute, constitutional provision or other action . . .” and be “authorized to operate educational programs beyond secondary level, including programs leading to a degree or certificate.” California’s independent, non-profit, WSCUC accredited colleges and universities are authorized within the meaning of 34 CFS §600.9 et seq for the following reason:

1. The California Master Plan for Higher Education specifically recognizes that California’s independent institutions of higher education “share goals designed to provide education opportunity and success to the broadest possible range of [California’s] citizens” with the state’s public segments (*California Education Code §66010.2*).
2. The Legislature “recognizes the role of independent, regionally accredited postsecondary education in California postsecondary education,” and that “statewide planning, policy coordination, and review of postsecondary education shall include attention to the contributions of the independent institutions in meeting the state’s goals of access, quality, educational equity, economic development, and student aid” (*California Education Code §66014.5(a)*).
3. The Legislature in adopting the Private Postsecondary Education Act chose to exempt institutions that are “accredited by the Accrediting Commission for Senior Colleges and Universities, Western Association of Schools and Colleges, or the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges” from the Act (*California Education Code, Title 3, Division 10, Part 59, Chapter 8*).
4. All of the institutions covered by the WSCUC exemption to the California Private Postsecondary Education Act of 2009 have had to meet strict standards regarding classroom instruction quality, adequate facilities, and financial stability. These institutions are eligible to participate in California’s student aid program known as the Cal Grant Program, and subject to audit by the California Student Aid Commission.
5. California’s longstanding “Supervision of Trustees and Fundraisers for Charitable Purposes Act” [Cal. Gov’t Code §12598] provides public means to submit complaints regarding non-profit colleges and universities that abuse their status under the Internal Revenue Code of 1986 (23 U.S.C. §501(c)(3)), and grants to the California Attorney General broad powers to undertake law enforcement investigations and legal actions to protect the public interest.

Under existing law, the Attorney General maintains oversight of nonprofit colleges and universities to assure compliance with their stated public purpose. Accordingly, final authority rests with the Attorney General, who can review any complaint to assure that a student’s complaint was subjected to a fair process consistent with procedures established by the nonprofit college or university.

Section 504 of the Rehabilitation Act and Title II of the Americans with Disabilities Act of 1990

In accordance with the requirements of Section 504 of the Rehabilitation Act of 1973 (*Section 504*) and Title II of the Americans with Disabilities Act of 1990, as amended (*ADA*), Hope International University does not discriminate on the basis of disability in

admission to, participation in, or receipt of services and benefits under any HIU program or activity. HIU does not retaliate or discriminate against, or coerce, intimidate or threaten any individual who (1) opposes any act or practice made unlawful by Section 504 or the ADA; or (2) files a grievance and/or complaint, testifies, assists, or participates in any investigation, proceeding, or hearing under Section 504 or the ADA.

Hope International University has adopted an internal grievance procedure providing for the prompt and equitable resolution of grievances alleging any action prohibited by Section 504, the ADA, or the Federal regulations implementing these laws. Please refer to the Grievance Procedure under the Non-Discrimination and Harassment Policy. The applicable Federal laws and regulations may be examined by contacting the following individual who is HIU's ADA/Section 504 Coordinator and who has been designated to coordinate the efforts of HIU to comply with Section 504 and the ADA:

Vice President for Student Affairs 714-879-3901 ext. 1211

Any person who believes she or he has been subjected to discrimination on the basis of disability or who believes she or he has been subjected to retaliation under Section 504 or the ADA may file a grievance under this procedure. It is against the law for HIU to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

Filing a grievance with HIU's ADA/Section 504 Coordinator (*or his/her designee*) does not prevent the person filing the grievance from filing a complaint with the:

Student E-mail System Terms of Use

Introduction: The following terms and conditions govern your use of the student e-mail system (the "Service"). You must read and agree to these terms and conditions before accessing your account. Note that these policies are subject to change.

Our Commitment to You: We know all too well the frustration of being inundated with unwanted and unsolicited e-mail. Our desire as a university is to avoid adding to the problem. Therefore, we have adopted a policy that the University will not disseminate information or material to you via e-mail that is not related to your interests or the interests of the HIU community. To regulate the quantity and content of e-mails that are distributed en masse, we limit who can send e-mail to mass distribution lists, and work to consolidate various announcements into regularly scheduled newsletter-type e-mails.

We also provide a commercial SPAM filter on your account. While no SPAM filter is 100% effective — and you should follow best practices to avoid ending up on SPAM lists — the filter will help reduce the amount of SPAM you receive from the Internet. Please see your account documentation for a complete description of the SPAM filter.

Official Use: Your HIU e-mail account is considered an official means of communication between the University and you, and you are required to use this account for all e-mail communications between yourself and the University.

Personal Use: Your HIU e-mail account is provided for your private, personal use only. You agree to be responsible for maintaining the confidentiality of your login credentials. You agree not allow anyone else to access your account as you are responsible for all activity that occurs under your login credentials. You must immediately notify Hope International University's Information Technology Department if you suspect any breach of your login credentials.

Proper Use: You agree that you are responsible for your own communications. You also acknowledge that, because you are using HIU's e-mail system and Internet domain name (*HIU.edu*) to send e-mail, the University has an interest how communications sent through our systems reflect upon our institution and our values.

Prohibited Actions: You may not use your Hope International University e-mail account for any of the following purposes:

- Use your HIU e-mail account in conjunction with any commercial enterprise.
- Generate or facilitate bulk unsolicited e-mail ("*spam*"). Such activity includes, but is not limited to:
- Sending unsolicited e-mails to significant numbers of e-mail addresses belonging to individuals and/or entities with which you have no preexisting relationship
- Sending e-mails to users who have requested to be removed from your mailing list(s)
- Send, upload, distribute, disseminate or offer to do the same with respect to any unlawful, defamatory, harassing, abusive, fraudulent, infringing, obscene, or otherwise objectionable content
- Intentionally distribute viruses, worms, defects, Trojan horses, corrupted files, hoaxes, or any other items of a destructive or deceptive nature
- Impersonate another person (*via the use of an e-mail address or otherwise*) or otherwise misrepresent yourself or the source of any e-mail
- Illegally transmit another's intellectual property or other proprietary information without such owner's or licensor's permission
- Sell, trade, or otherwise transfer your HIU e-mail account
- Use your HIU e-mail account in connection with illegal peer-to-peer file sharing
- Abuse system resources or interfere with another user's access to or enjoyment of the e-mail system or other HIU technological resources.

Violations may result in account termination, restriction, and/or disciplinary actions in accordance with University policy and governing law.

Privacy: The University respects your privacy. Under normal circumstances, no person will monitor or read the contents of your e-mail except as required for troubleshooting and other technical operations. You do, however, agree that the University may monitor, edit or disclose your personal information, including the content of your e-mails, if required to do so in order to comply with any valid legal process or governmental request (*such as a search warrant, subpoena, statute, or court order*).

Service Availability; Reliability: The University provides this free, lifetime e-mail service on an AS IS and AS AVAILABLE basis. While we strive to provide a robust, highly available service, we make no guarantees as to the availability of the system and the storage of your data. Specifically, Hope International University disclaims all responsibility and liability for the availability, timeliness, security or reliability of the e-mail service. The University also reserves the right to modify, suspend or discontinue the service with or without notice at any time and without any liability to you.

Data Storage, Backup, and Recovery: It is your responsibility to delete old messages and file attachments to keep your email from being cluttered.

The University maintains backups of the e-mail system for the purposes of recovering from system failures only. While we make best efforts to safeguard your data, the University does not guarantee the recovery of your e-mail in the event of a system failure. The University does not provide individual mailbox or e-mail restoration services in the event that you or someone using your credentials deletes data from your mailbox. You are responsible for archiving all important data in your mailbox to an external storage system, or printing out hardcopies to store in your personal files.

Cancellation; Termination: The University is pleased to offer continued use of the account to students who graduate or otherwise leave the University under favorable conditions, and we encourage you to continue using your account for years to come. At any time, an alumnus may request the closure of his or her account. Also, the University may close or restrict any account which is determined to be inactive or abandoned. As described above, violations of these Terms of Service may result in the termination of your HIU e-mail account.

Residence Halls Network Acceptable Use Policy: HIU provides a computer network connection in every dorm room. This network connection allows you to connect your computer to our network and communicate with other students in the dorms as well as access the Internet. Please read the following carefully.

1. As a student of HIU, your use of the network and Internet should reflect the values of the University. As in any other area of your relationship with Hope International University, your use of the network and Internet access provided by HIU is subject to University policy.
2. We respect your privacy. Except for cases of clear violation of the University Policy, we do not specifically monitor what you are doing on the network.

Be aware that we do maintain logs of all Internet usage and we may analyze actual network activity in order to maintain accountability for how our resources are being used, to troubleshoot and improve network performance, and to assist in resolving clear violations of University policy. Violations will be reported to Student Affairs.

3. File Sharing: Many people are unaware of the risk they take by engaging in file sharing. The fact is, most commercial music, movies, and software are copyrighted, meaning that they may not be copied without the express permission of the owner of the copyright.

Be aware that unauthorized transfer, including downloading, of copyrighted material is illegal. Copyright holders ARE ACTIVELY TARGETING AND SUING COLLEGE STUDENTS engaged in illegal file-sharing. Also, law enforcement is actively prosecuting people engaged in any illegal activity on Internet. Be aware that you are

NOT ANONYMOUS on the Internet and these agencies can trace your activities back to you.

HIU has a zero-tolerance policy on illegal file sharing and all other illegal activity.

If you engage in any illegal activity online, including sharing or downloading copyrighted material without the consent of the copyright holder, your access to the Internet will be terminated immediately and you will be accountable for any and all violations of applicable student conduct codes as per University Policy as well as potential civil and criminal liability resulting from your actions.

If your Internet service is terminated, approval from the Vice President for Student Affairs will be required to reinstate your service. If you ever have any questions about the legality of something on the Internet, please inquire through the office of Student Affairs. Also, please contact Student Affairs if you have any questions regarding student conduct codes.

4. Use of loopholes in computer security systems or knowledge of a special password to damage computer systems, obtain extra network or computing resources, take resources from another user, gain access to systems or use systems for which proper authorization has not been given constitutes a violation of University policy and is expressly prohibited.

INTERNATIONAL STUDENT NEEDS

International Student Programs (*ISP*) staff strive to help new international students adjust to HIU and the United States through personal and social interactions, enhance international students' satisfaction with their university experience through practical help and advice about living and learning in the United States, and increase appreciation and awareness toward diversity among domestic students, staff and faculty.

These goals are met through a variety of social events and programs such as American Home Visits, cultural events, and diversity training in addition to advising on matters such as F-1 visa regulations and campus employment. ISP also hopes to help international students make the most of their time in southern California by planning a variety of trips and events to local tourist destinations. For more information about any of these programs and a calendar of events, please contact the ISP Office, ext. 1698.

Maintaining F-1 Status

F-1 students are non-immigrants pursuing a full course study towards specific educational or professional objectives at academic institutions in the U.S. An F-1 student is admitted to the U.S. for a period known as "duration of status" (*D/S*). Upon entry to the U.S. as an F-1 student, the individual accepts responsibility to abide by the conditions of the non-immigrant status. Failure to maintain F-1 non-immigrant status is grounds for removal from the U.S. under the Immigration & Naturalization Act. The information provided here should serve as a guide to keeping legal F-1 student status throughout one's stay in the U.S.

1. Full-Time Enrollment

- Enroll full-time each term.
 - Undergraduate Full-time = minimum 12 credit hours per term
 - Graduate Full-time = minimum 8 or 9 credit hours per term depending on the program

- Exceptions to full-time enrollment requirement (*must be submitted & approved by the ISP Director in advance*)
 - Initial difficulty with English language (*first semester only*)

- Ensure that the “Program End Date” date found on your Form I-20 reflects the date you will complete your final degree requirements.
 - Report to the ISP Director any changes to the original academic program; including major, education level, program completion date, etc.
- Report to the ISP Director a change of address within 10 days of moving.

4. Employment

- On-Campus Employment
 - Limited to 20 hours per week while school is in session
 - Full-time ONLY during official university breaks

 - Valid F-1 visa (*unexpired, multiple entry*)
 - I-20 signed for travel by ISP Director (*travel signature is valid for 6 months to 1 year depending on your status*)

6. Valid Passport

- Must maintain a valid passport for student and student’s dependents. Passport extensions and renewals may be arranged with the home country embassy or consulates in the U.S.

7. Dependents (F-2): Spouse and Dependents

- Maintain separate I-20; Status is dependent on the “primary” F-1 visa holder
- May travel abroad and re-enter without the “primary”; must obtain travel signature by the ISP Director

8. Grace Periods

- 60-day grace period after program completion. During the 60-day grace period, the individual may:
 - Remain in the U.S. to prepare for departure
 - Transfer to another school or degree program
 - Apply for a change of status
 - Caution: no travel abroad and U.S. re-entry on the same I-20
 - Caution: no employment is permitted during the 60-day grace period

 - Remain in the U.S. to prepare for departure
 - No employment is permitted during the 15-day grace period
- Unapproved withdrawals or terminations
 - No grace period if failed to maintain status, withdrew from school, or otherwise interrupted studies

9. Transfer

- “Transfer” is defined by the USCIS to describe the process by which an international student leaves one U.S. institution (*before or after completion of studies*) and begins attendance at another U.S. institution. School transfer, in this situation, does not refer to the transfer of academic credits or records between institutions.

10. Reinstatement

- A student who has failed to maintain status may apply to be reinstated to lawful F-1 status at the discretion of USCIS. Students must consult the ISP Director if reinstatement is needed.

Obtaining Employment

There are four types of employment available for F-1 students who are maintaining their status:

- On-campus employment
- Employment authorized due to severe economic hardship

- Curricular Practical Training (*CPT*)
- Optional Practical Training (*OPT*)

1. On-Campus Employment

F-1 students are authorized to work no more than 20 hours per week while school is in session. Students may work full-time (*40 hours per week*) during summer and other vacations, if they are eligible and intend to register for the subsequent academic term. Students may not engage in on-campus employment during the 60-day grace period after their program completion date unless on Optional practical Training or changing their program levels at HIU.

2. Employment Authorized Due to Severe Economic Hardship

Students may be authorized to work off-campus in case of severe unforeseen economic necessity. This type of employment must first be recommended in SEVIS by the Designated School Official (*DSO*), and then be adjudicated and approved by U.S. Citizenship and Immigration Services (*USCIS*), which issues an Employment Authorization Document (*EAD*). To qualify, a student must have been F-1 status for at least one full academic year. The student must also provide documentation to prove to USCIS that employment is necessary due to severe economic hardship caused by circumstances beyond his or her control.

F-1 students enrolled in a degree-seeking program (*i.e., Bachelor's, Master's, etc.*) can seek authorization for practical training to gain practical work experience directly related to their field of study. Practical training is not available for students in English language training programs. There are two types of practical training:

- Curricular Practical Training
- Optional Practical Training

3. Curricular Practical Training (*CPT*)

CPT is employment which is an integral part of an established curriculum or any other type of required internship or practicum which is offered by sponsoring employers through cooperative agreements with the school. In practical terms, 'integral part of an established curriculum' means employment must be required by the curriculum or, if not required, the student must receive academic credit for the training. CPT is available only prior to the completion of your degree program, and you must have a job offer at the time of application. F-1 students who engage in an aggregate of 12 months or more of full-time curricular practical training become ineligible for optional practical training.

4. Optional Practical Training (*OPT*)

OPT is employment granted by the USCIS upon application from the student and recommendation from the DSO. OPT is an opportunity for a degree-seeking student to work part-time or full-time in the U.S. for 12 months in an area directly related to their field of study. The student may engage in pre-completion or post-completion OPT. If doing pre-completion OPT, the student must maintain a full course of study during the period of employment (*unless done during school breaks*).

**For more information about employment, contact the ISP Director at isp@HIU.edu.*

Obtaining a Social Security Card

In order to work in the United States, every eligible F-1 student needs to have a Social Security number (SSN). If you do not know if you are eligible to work, contact your Designated School Official (DSO) at isp@hiu.edu

Steps for Obtaining a Social Security Number:

1. Contact your DSO at isp@hiu.edu for important information regarding the regulations and requirements for F-1 students working in the U.S.
2. Your SEVIS record must be in Active status for at least two days before applying for a SSN. If you have a record in any other status, you will not be eligible to apply for a SSN.
3. Wait 10 days after arriving in the United States before applying for a SSN to allow time for your arrival information to update in all government systems.
4. Prepare the following documents:
 - Completed Form SS-5, Application for a Social Security Card;
 - Your passport;
 - Your U.S. Visa;
 - Your Form I-94;
 - Your Form I-20; and
 - Documentation of F-1 employment authorization (see below).

Documentation for F-1 Employment Authorization

Social Security Administration (SSA) will issue a SSN only to F-1 students who are authorized to be employed in the United States. The nature of the documentation of F-1 employment submitted to SSA depends on the type of employment the F-1 student is seeking.

- For on-campus employment: 1) a letter from the DSO and 2) documentation from the on-campus employer (*i.e., a recent pay stub or an official letter from the employer*)
- For employment due to severe economic hardship: EAD card
- For Curricular Practical Training: Form I-20 endorsed by the DSO
- For Optional Practical Training: EAD card

Employment Start Date

SSA will not process an SS-5 application for an F-1 student if the start date of on-campus work authorization or CPT is more than 30 days in the future. For EAD-based SSN applications, SSA will not process the application if the EAD “valid from” date is any time in the future (*i.e., the EAD start date must have arrived already*).

Income Tax Obligations

Anyone in F-1 visa status is required to file Form 8843 with the IRS whether or not they had income from a U.S. source. The purpose of Form 8843 is to demonstrate to the U.S. government that you are eligible for nonresident alien status for tax purposes and therefore exempt from being taxed on income you may have from outside the U.S. If you have dependent family members in F-2 status, a Form 8843 must be completed for each person, even minor children.

If you worked or had taxable income from scholarships or other sources, you are responsible for filing two income tax forms: (1) Federal Income Tax Form, and (2) State Income Tax Form. A W-2 form is necessary in order to file the tax forms. If a student does not receive a W-2 form from their employer by the end of January following the tax year, they should notify their employer.

Travel Information

Outside the United States

Before traveling outside the United States it is crucial to investigate the requirements of the country one wishes to visit by contacting their Consulate in the U.S. Plan ahead and early in order to avoid complications. Requirements may change periodically, so it is important that an individual not rely on outdated information. Be sure to get your travel signature on your Form I-20 before you depart the U.S. Keep in mind that a travel signature is valid 6 months to 1 year depending on your status.

The most frequently visited countries while in the U.S. are Mexico and Canada. In general, both Mexico and Canada require that traveling students enter with a valid passport and Visa, an I-94, and their I-20 identification. If traveling into Mexico by automobile, the driver should obtain the appropriate car insurance before crossing the border.

If a student's own government does not have diplomatic relations with the country they wish to visit, they can anticipate long delays in obtaining a Visa. They may even be denied the opportunity of entering the country altogether.

Obtaining a Driver's License

You may decide to own and drive your own car in California. Keep in mind that owning a car can be very expensive. You will have to pay for insurance, registration fees, and there are costs for keeping your car in good condition. International students must obtain a California Driver's License if they plan to drive in the United States. A California Driver's License is required when purchasing a car and obtaining car insurance.

International Driving Permit

The State of California **does not** recognize an International Driving Permit (*IDP*) as a valid license. The IDP is also referred to as an International Driver's License or International License.

Overview

The California Department of motor Vehicles (*DMV*) website outlines the process of obtaining a California Driver's License. The application process includes a written test and driving skills test administered by the DMV. The California Driver's handbook is an indispensable resource when preparing for these tests. Samples of written tests are also available online for reference.

Application Process

1. New students must wait **10 business days** after their entry into the U.S. before applying so that border information can be uploaded to the DMV.
2. The DMV requires that you present the **ORIGINALS** of all immigration documents: passport, I-94 and I-20. Your passport or I-20 **CANNOT** expire less than 60 days from

the date of application. If these documents expire in less than 60 days, you cannot apply. Also, take your home country license to present to the officer as it may exempt you from the driving test.

3. There is a fee for application for the Driver's License or CA State ID. You also need to fill-out an application form at the DMV.
4. If you do not have a Social Security Number (SSN) and are not in the process of applying for one, mark on the DMV application that you are **not** eligible for a SSN. You are only eligible for a SSN if you have a job offer for authorized paid on-campus or off-campus employment.
5. After applying, you must wait at least 30 days before calling the DMV office to inquire about your application. However, most cards are issued within two weeks if there are no issues with your application. They cannot assist you before the 30 day window ends.

For those who do not desire to obtain a Driver's License, but want to have a California picture ID card that can be useful in cashing checks, and serve as an identification card among other things, they may do so at the DMV as well. Visit www.dmv.ca.gov for more information.

City Buses

The city bus service is called OCTA, which stands for Orange County Transit Authority. There are bus stops located near campus. Local bus fare is \$2.00 and exact change is required. Monthly passes are also available. You can find maps, schedules, and bus pass information online at www.octa.net.

Airport Service

The two major airports in the Los Angeles area are Burbank Airport and Los Angeles International Airport (LAX). John Wayne Airport serves Orange County as the major air-travel center. John Wayne Airport is located off the 405 Freeway at 18601 Airport Way, in Santa Ana, CA 92707 — (949) 252-5200. Shuttle service can be arranged.

Medical Insurance & Immunizations

Medical Insurance

International students must show proof of health insurance. Refer to the *Health Services/Insurance* section of this handbook for further information.

Immunizations

The following immunizations must be current for all Hope International University Students and *required* for all international students attending Hope International University or living on campus: 1) Tetanus Diphtheria (*current in the past 10 years*), 2) Measles, Mumps, Rubella (*2 dates needed*), 3) Polio series, 4) Hepatitis B (*3 dates need*), 5) Mantoux Tb Skin test within past year, 6) Menomune (*Meningococcal*) (*1 date*). Immunization records are required for admission. If records or immunizations are not available, they are required upon enrollment at Hope International University. All immunizations received before and/or after arrival at Hope International University must be obtained at the student's expense.

Banking

It is a good idea for students to maintain a checking account in the United States. A debit card, which is connected to a checking account, can be used conveniently to make daily purchases and carry out other financial transactions. The nearest bank to the campus is Chase. In addition to checking accounts, Chase offers other products and services such as savings accounts, credit cards, online banking, mobile banking, international wire transfers and currency exchanges. There are other banks in the Fullerton area that offer similar services and products. In order to open any type of account, visit a banking institution in person. Bring with you your passport and Form I-20 as forms of identification.

To receive international wire transfers to your account in the United States, the sender will need your account information. When you open an account, make sure to keep all of the documents that contain your account information in a safe place. Contact your bank for additional information required for receiving wire transfers and for any fees involved.

Automated Teller Machines (*ATMs*) can be found at various locations in the surrounding areas as well as on campus. Keep in mind that you will be charged a fee if you use an ATM that is not owned by your bank. Avoid making ATM withdrawals when you are alone at night or in an unfamiliar location.
